ST MARY'S PARISH CHURCH

PAYHEMBURY

Dear Friends,

As I write this letter the sun has come out and I can see blue sky, doesn't that make us feel so much better? Shafts of light were pouring through the widows of my churches this morning and I'm sure everyone felt better for just seeing the sun and bright light. It almost seemed too bright and driving around with the bright sunlight was at times difficult. But no one I'm sure wants to grumble about the sun after so much grey and damp weather.

It is amazing how our mood lifts when the weather brightens; a glow of sunshine puts a new fresh appearance on even the mud and we've plenty of that!

At this time of year in the church calendar we concentrate on light. We remember the coming of the 3 Wise Men following a star to Bethlehem, guided by its light. (It's not just around Christmas Day do we think about those 3 Wise Men) We have been thinking about what guides us through difficult times and what is the light that shines for us into the darkness.

When we light the candle as the beginning of our school services the children tell me that we light the candle to remind us that Jesus is the light of the world. I think we all need to be

reminded of that, Jesus, God in human form, came into the world, a world that was full of darkness and brought light and hope to the people 2000 years ago. That light of Jesus wasn't just for then it is for us all for all of eternity, a light which brings God's love into even the darkest corner.

There are times in our lives when things seem hopeless, that there is such darkness all around us, but there is always the light of Jesus Christ shining for us to guide us, to bring us into full light, happiness and joy. We just have to have faith and hope and look to the light and not be blinded by it to bring us to a better, brighter place.. May the light of God's love shine on you and lift your spirits.

Blessings Rev *Cate*

PAYHEMBURY SPRING BULB AND FLOWER SHOW

Isn't it lovely that the days are getting longer again and spring is on the way.

It's not long now until the show on:

Saturday 15th March at 4.30 pm

I would like to remind everyone who wishes to enter, and explain to those

who haven't before, that you have to fill

in your entry forms and hand them to either myself at 9 Hillside, Di Somers at Pear Tree Cottage in Tale or Louise Granger at 18 Markers Park in order to get your envelopes to place next to your entries in the hall. And the latest date to do this is one week prior to the show on the 8th of March, as we cannot receive entry forms after this date. There are still plenty of schedules available in the village shop, and the entry forms can be found on the last page.

Also, as many of the committee members for the show are fairly elderly, I was wondering if anyone out there would consider helping us set up the evening before on the 14th. We need some brawn to help shift tables. If you do feel you can help at all that would be fantastic. Please contact me on 841843.

Thank you , Jane Wood

COFFEE MORNING

It was with much sadness that we heard that Michael Davis died in December. For many years Michael co-ordinated the Coffee Mornings and I only took over when he was in hospital and not well enough to continue. Michael was highly respected as a Churchwarden with infinite knowledge; a truly loved person by all who knew him and will be greatly missed.

Our next Coffee Morning will be on Wednesday 26th February at 'Cokesputt' by kind invitation of Caroline and Dr. Angus Forbes at the usual time of 11a.m. **ALL WELCOME.**

For information about the Coffee Mornings, or if anyone would like a lift please contact me on 841828.

Our next get together will be on

Wednesday 5th February 2014

In the Parish Hall from 2.15 pm

We still need a few more players!!! Come on, give it a try, it really is a very happy couple of hours in good company with the chance of winning a small prize with a cuppa and super cake!!! All for £2!

Hope to see you on the 5th Louise and Joy

Payhembury Youth Club

Mondays 5.30 - 7.00pm

Village Hall

Ages 7-12 £1.50

Happy New Year from Youth Club!

We had a great Autumn term culminating in our Christmas party in the pub! Thank you very much to Jamie for providing us with use of the back room. We also had **fun creating sheep for our 'While Shepherds Watched...' themed Christmas tree** for the church.

We said goodbye and thank you to Nat Pinney and welcomed two new junior members of staff - Beth Goodman and Ella Kimber. We also welcomed Bradley Gibbins **who is volunteering this academic year as part of his 'D of E' award, in addition to** the work of the Youth Club Committee members.

We also introduced healthy snacks to the tuck and have bought a variety of new equipment for youth club including board games, sports equipment and an xbox.

New members aged 7 - 12 always welcome. First night free!

Payhembury Parish Council

Draft notes of a Parish Council meeting held Wednesday 8th January 2014

In attendance: Cllrs Somers, Williams, Scarle and Disney

Apologies for absence: Cllrs Fowler, Leach, Doble, Diviani and Skinner.

Minutes of the previous meeting were agreed and signed as correct.

Public Session: Jim Baker asked for an update on the closure of the road from Uggaton Cross. Since the last meeting, the hole in the road has been filled, but not by DCC Highways. As such, traffic is now using the road, despite the road closed signs still in position. The meeting agreed for the Clerk to continue with the request for repair costs and a risk assessment from Highways, and to ask if the repair has been inspected.

Lorinda Perry raised the problem with the Payhembury village website. It is currently not appearing on any search engines. It was reported that Graham Smith is working to rectify this. Clerk asked to review next month, and to ask for a link with Payhembury Primary School. Cllr Somers reported of more problems with BT & Broadband in the village. If the situation continues, PPC should consider getting involved. A petition has been placed in the village shop re: improved broadband.

Cllr Disney reported how he has cleared the road gully at Mousehole with his digger and found 4 drains. Water was flowing much easier now. Possible further improvements would be to place railway sleepers in the field, by the hedge gap. Clerk to contact Cllr Leach.

Police Report: PC Vickery reported of 3 crimes since the last report in September. These were a forced entry into a detached garage resulting in garden equipment being stolen; criminal damage to a car and forced entry into a barn resulting in a stolen quad bike. PC Vickery **reminded the meeting of the 'stop a thief' scheme which enables alarm systems to be trialled.**

Jim Baker gave thanks to the police saying they did all they could to retrieve the stolen quad.

Matters Arising: Village pavement: the Clerk reported that the petition gathered by the shop has been sent to DCC Highways with a request for stipulations & costings for the requested pavement. PCC has been informed the required information would take 6-8 weeks for Highways to gather, and a response would then be prepared.

De-listing telephone box: **research has found the village's telephone box is a 'K6' which was designed by Gilbert Scott.** There are limited numbers of these in existence in the country, and **as a result it would be very difficult to 'de-list'.** In order to carry out some of the repairs, it may require listed building consent. It was agreed the box will now have to stay in its current position, and to now go through with the dis-connection of the electricity. Clerk to investigate any possible grants that may be available to assist with the refurbishment.

Parishes Together: the possible funding with Broadhembury to tackle the Japanese Knotweed is progressing. Clerk to contact Tale Valley Trust for advice. Cllr Disney to contact Blackdown Environmental to arrange a site visit and a quote.

Planning: The application for Willow Lodge was discussed. It was agreed the demolition of the building would be beneficial for the site. (Table on opposite page)

Finances

Current balance was £4,175.32 and the Parish Council agreed to pay the following invoices: ALP Grounds Maintenance, £255.00.

Precept Planning

Clerk outlined the budget for the year, and the possible expenses still to arise.

Cllr Williams proposed the Clerk receive a pay rise of 5%, all Cllrs agreed. The rise will take

App number	Details	Decision

effect from the new financial year. It was concluded that further information from EDDC is required regarding any new rules for precepts. It was agreed the precept should rise by 6.5% if acceptable within EDDC referendum rules, or by 4.95% if the referendum rule is set at 5%. Clerk to contact EDDC and circulate any further details to Cllrs.

Parish Grants: The request from PCC for financial assistance with the cremation area was discussed. It was concluded that the Parish Council would offer assistance, but would not be able to offer the full amount, and required further quotes and more details in order to proceed. Clerk to contact PCC. Further grants to be awarded: Parish Paper £250.00, Ottery St Mary Help £30.00, Citizens Advice Bureau £ 30.00, Tale Valley Trust £30.00 and PCC £80.00 (for general upkeep of the church). All grants to be reviewed for increase next year.

Speaker for the Annual Meeting: Lorinda Perry suggested asking for Poltimore House to provide a speaker, if appropriate. If this is not possible, to approach Ottery St Mary Help Scheme to provide a speaker.

Clerk to ask Cllr Leach if Otter Breweries could provide a barrel of beer for the meeting.

Christmas Lights: Thanks were given to Cllrs Fowler and Scarle for their efforts in installing and managing the Christmas lights in the cherry tree. It was felt a Thank You letter should be sent to Mr Griffiths of Robin Cottage who supplied the electricity

Correspondence: A letter has been received from Mr Evans of Church Lane. Clerk to contact EDDC re: ownership of the lane and repairs required. Correspondence was also received from Mr Bryson of Markers Park asking if the PPC could find out if a planning condition meant families were unable to use the cul de sac to safely play in. EDDC confirmed no such conditions were included in the 3 different planning permissions given for Markers Park.

These notes are not complete—full minutes can be viewed on Payhembury website or the Parish Council notice-board. Please see p12 for future Parish Council meeting details.

Could you produce this Parish Paper?

I have decided that since I have been editor of the parish paper for over 8 years it is time for a change, both for me and for the paper!

If anyone is the slightest bit interested in becoming an editor, which simply involves getting the material into the paper from 20th of the month and getting it to the printer within a day or so, please give it some deep consideration and get in touch for further details (email address or 01404 841103)

An idea is to have 3 editors, which means it does not take up so much time in **the year and also that if one person can't do a particular month there are 2 others to take over.**

Kirsty is also unable to continue for much longer as Deputy Editor so we are looking for at least 2 (as I could stay on for a while as no.3 if necessary), but preferably 3, people to take over. It would be a slow take-over as I am happy **to continue doing the bulk of it for a while, so no "in at the deep end" and we can work together until everyone is happy to take over.**

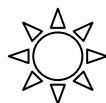

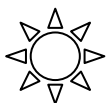

PLEASE THINK ABOUT IT—WE NEED OUR PARISH PAPER

BROADHEMBURY & DISTRICT GARDENING CLUB

Inaugural Meeting—Wednesday February 5th 7:30pm

Broadhembury Memorial Hall

We were delighted to see 26 prospective members at a preliminary meeting in December. The annual membership fee has been set at £10 per member; £15 to include partners and £20 for family membership.

The speaker this month is Chris Britten who runs a nursery in Kenton. His talk will be entitled Unusual and Interesting Shrubs and Climbers. Valerie Brakespear and Elfed Davies will also give a short talk on what they are doing in their gardens at this time of year.

In addition to a raffle and refreshments there will be a plant table, based on a 50/50 sale. Any cuttings or plants would be appreciated.

If you can come along you might like to bring a photo of your garden, taken at any time of the year, so that we can all get to know each other.

We look forward to meeting you!

EVERYONE WELCOME

Jenny Russell.

Hello everyone

Margaret and I have just returned from a visit to friends in The Lake District. The Weather there was kind to us, and we were able to get about in the lovely countryside. We made a trip to the R.S.P.B. Reserve at Leighton Moss, Lancashire, where we saw some great birds. The best by far were a pair of Marsh Harriers, which danced about in the sky for ages. These are large birds of prey, which are at home in the lakeside reeds and fens. They were showing off for us, as if they knew we were fascinated by them. The male bird is largely chestnut, but with blue-grey parts of its wings---a truly magnificent bird. His mate is brown, but with a lovely golden head. I doubt that we'll ever see such a display again.

In a river near Windermere, there was a bird swimming. It was sometimes on the water, and then under it. What was it? A rather pale duck, but sporting a red-brown punk hairstyle! I identified it as being a female goosander. The lady goosander is not as handsome as the man, which is a beautiful black and white. With most birds, the male is the more striking in colour, but there are a few

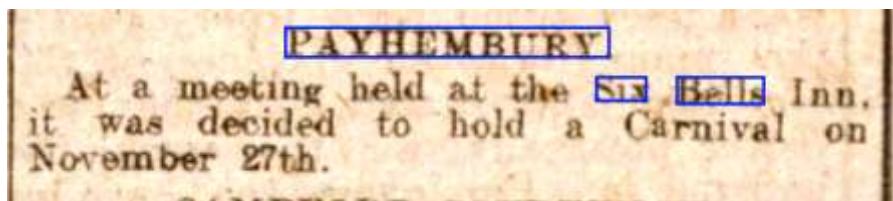

exceptions to the rule.

Back at home, the weather has been very wet, which tends to make birds lie low---can you blame them? Nevertheless, we've got the usual blue and great tits, chaffinches, jackdaws and of course our goldfinches to cheer us up. Roll on Spring!

Tickets will go on sale in Payhembury and Talaton shops & Stagestruck, Ottery on 1st February. Don't miss the longship!

Rainfall: The second half of December was very wet with the day before Christmas Eve resulting in flooding in Feniton after 23 mm of rain. The monthly average doesn't reflect this as it was very dry in the first 2 weeks. The wet weather continued into January with twice the normal rainfall in the first 2 weeks and showing no sign of a respite. New Years day was particularly wet with flooding returning to the area.

Temperatures: Both December and January have been very warm compared to the average with no cold spell in the forecast to the end of January and only a few nights with frost.

Weather elsewhere: The coastal areas around the south west were hit by the stormy weather battering the sea defences and causing flooding. Very warm temperatures above 40C were experienced in Melbourne for the tennis players. In contrast the temperatures in parts of North America have seen record lows due to the polar vortex with Niagra Falls freezing and boiling water turning to snow if thrown out of a bucket. Some parts of the Mid-west hit -26C (-14F). Elsewhere a drought has been declared in California and dangerous levels of smog have been experienced in Beijing.

Letter to the Editor

Feniton Super Planning Inquiry

May I thank all the people from Payhembury who supported us in our fight against the mass development proposed for Feniton.

The Planning Inspector stated at the end of the two weeks that she would be visiting Payhembury as well as Feniton in her site inspection of the area. I'm sure that the comments from Payhembury people helped enormously in prompting her to look at the wider issue involved. There are two more days to go for the Inquiry as they ran out of time and these will be 4th and 5th February at Flybe Training Centre. The Planning Inspector's decision will take a while to be made public but she indicated that it would be before June.

I sincerely hope you never find yourselves at Payhembury in the situation that we have at Feniton, but if you do, we will be there to help and support you.

This is a free guide of businesses that have been used and recommended by local people. This means readers know they can expect a trustworthy and good quality service from anyone listed – reducing the fear of 'cowboys' and 'rogue traders'.

We are now compiling the new edition of Our Local Expert, and welcome your suggestions of businesses we should feature. People you would be happy recommending to friends and neighbours. Businesses like featuring in the guide because it enhances their reputation and wins them good quality local domestic customers.

The latest edition of Our Local Expert will be distributed in the middle of April, free through doors with your post.

Anyone who hasn't received the 2014-15 edition by the end of April can contact me and I will be happy to post out a free copy:

Actors & Backstage Crew needed for April Play in Payhembury & Feniton

We would like to put on a short play (suitable for Easter) as part of an evening of Entertainment in St Andrew's Church - to raise funds for the church there.

But I am also keen for it to go into Payhembury Church as well — particularly relevant if we can have some of the cast and/or crew from Payhembury. So: are there any budding actors out there, of any age, desperate to 'tread the boards'?

We shall also need backstage crew, of course, but more of that once we get under way.

Children from 8 years will be welcome; but the play selected will depend on those who let me know they wish to be involved.

Marjorie Wright (Hon. Secretary)

Hi, hope you like the picture of me! Mum and Dad told us to be careful when we went out on these wet and windy days. Well I was a bit bored one day, the rain had stopped Par-china and I from playing out in the fields or up and down the drainpipes, so we had to just sit and play in that lovely chil-dren's area in church. I thought the rain had stopped so I

went up the tower and squeezed through our usual hole, I took my brolly with me just in case. Mum and Dad and Granma and Grandpa were busy making sure the water which rushes past our front door was not coming into our cosy nest. I crept out slowly onto the top of the tower. Everywhere looked so wet, then it started to rain so I quickly put up my brolly and then whoosh! A great gust of wind took me off my feet and carried me over the edge of the tower, "help", I thought, "where am I going?" Well the gust passed and I floated towards the ground landing in a large puddle. I crept back into church wet and soggy, just to be met by Mum who took one look at me and sent me off for a hot bath, not before I had a good telling off for doing what I was not supposed to do. A note to you children, Mums and Dads know best!

I hope the 3 children that were baptized this month do as they are told. We had a church full for the Christening of Hattie and Heidi and then a little later that afternoon Joseph's family arrived for his baptism. Now where did I see Rev Cate and Clive going between these services? Well I must dash off now, Mum has got me doing extra reading as well for not doing as I was told, but I love reading so it's not too bad.

Love and squeaks, Parchie.

CLARET'S CORNER

by our postie Marty

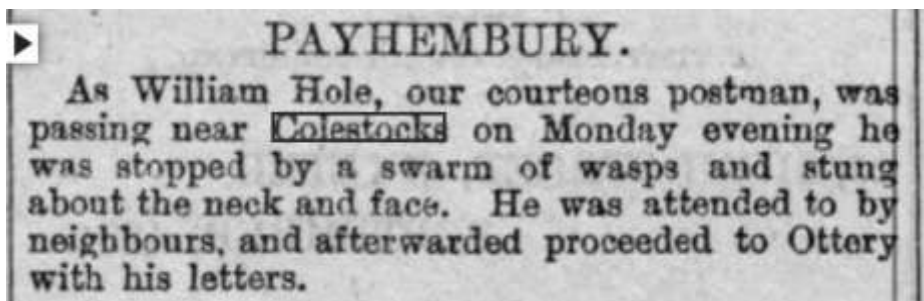

Myself and my family went to YEOVIL to watch the Clarets defeat the glovers 2-1, it's nice to travel just 31 miles rather than nearly 300 miles to Lancashire. We were very unlucky not to get a result at SOUTHAMPTON losing 4-3 in the FA CUP, but with three wins, two draws and just one defeat we are still in the hunt for promotion!

On FRIDAY 3rd JANUARY we had what you would call a full house of weather in the PAYHEMBURY area. We had wind, rain, thunder and lightning, sun, a rainbow and hailstones the size of gooseberries! All in the space of a couple of hours. (How's that for a weather report all of you met office people in the village).

See you around the village and UP THE CLARETS! MARTY.
