Dear Friends,

We have just passed Whit Sunday, did you notice? Sadly, it passes many people by. Some of you may remember that we used to have a moveable bank holiday which was usually referred to as Whit Monday, as it followed Whit Sunday, and this was the start of the school summer half term holiday. Whit Sunday, or Pentecost as it is referred to in the Bible, is 50 days after Jesus rose from the dead on Easter Day. Easter is calculated by the movement of the moon and therefore so is Pentecost or Whit Sunday. However, in 1971 it was decided to fix the date of this bank holiday for convenience and it became known as the Spring Bank Holiday and so the association with Whit Sunday and thus with Pentecost was lost and for many it is only a memory.

Why Whit Sunday you may ask? Well, it is commonly believed that as people were often baptized/christened on that day and the tradition was to wear white so the word Whit was derived from white. Why you may ask were baptisms/christening taking place on that day? The answer is the other name for that day, Pentecost. The Day of Pentecost was the birthday of the Church, when Jesus's followers were together after he had returned to heaven, waiting for something special. It came in the form of a rushing wind and tongues of flame settling on the disciples. They were filled with the Holy Spirit and were enabled to teach and travel around the world telling the stories and teachings of Jesus and so the early church was born.

Christians believe that the Holy Spirit is the presence of God with us every day and if we are open to His spirit we produce fruit, that we demonstrate by nine attributes; love, joy, peace, patience, kindness, goodness, faithfulness, humility and self-control.

I don't know about you but I think these are good attributes for all of us to have whether we are Christian or not. Whether we remember Whit Sunday, Pentecost or the coming of the Holy Spirit, it's certainly worth remembering the fruit of the spirit and if we worked hard at these I think the world would be a better place don't you?

Every blessing, Rev Cate

## HERE WE ARE AGAIN

As a part of its World War One arts programme, Tale Valley Community Theatre will be mounting a WW1 poetry and songs evening in Payhembury Hall on Saturday 18th July. The poems will be read by individuals and will contain well known favourites such as

*Albert and the Lion* and more serious verse such as *Dulce et Decorum est*. There will be a musical hall atmosphere with the audience singing well known songs of the period such as *Pack up Your Troubles, My Old Man said Follow the Van* and *Knees up Mother Brown*. This evening is suitable for all ages and students who are studying WW1 should enjoy it as well as older people who, as children, heard parents and grandparents singing these songs.

A ploughman's supper will be provided but please bring your own drinks. To ensure accurate catering and to minimise food wastage please buy your tickets beforehand. Tickets are available from Payhembury Shop or John Somers on 01884 277390 or at [j.w.somers@exeter.ac.uk](mailto:j.w.somers@exeter.ac.uk). Come along and enjoy a fun (and serious) evening with your family and friends.

We still need more actors and singers for *They Dream of Home*, TVCT's WW1 play to be performed on the roads and in the houses of Payhembury on the 19th and 20th of September. Young men in particular are needed to play the Army recruits who went to war and, in many cases, did not come back. See details of this play on the homepage of the Tale Valley Community Theatre ([www.tvctheatre.org](http://www.tvctheatre.org))

## Clarets' Corner

It's been a tough season for the Clarets in the premier league which ended in relegation back to the championship but we played some good football and luck wasn't on our side. I have seen it all before and for sure we'll be back!

Well done to all the organisers and helpers of the May Day event. I'm sure they raised a lot of money for FOPS and we were so lucky with the weather. There are some people who I forgot to thank after my little red van evening in April and they are the people who were unable to attend but still made donations so thank you all!

See you around the village and **UP THE CLARETS!**

## CUP OF TEA AND BINGO

Our next get-together will be on  
**Wednesday 3rd June**  
**in the Parish Hall from 2.15pm**

Still looking for a few more players. It really is good value for a couple of hours. For £2 you get good company, a laugh or two, most people win a chocolate bar or a £1 (often both), ten games of Bingo, a cup of tea and the cakes are really scrummy. Even mine are getting better!! Well, they get eaten up anyway!! Go on please give us a try.

See you on the 3rd.....Louise and Joy

This fund was established many years ago when various charities in the village decided to combine into one. The terms require that the Trustees can only use interest to help people out and not touch the capital. Obviously in recent years this has created a shortage of available funds .

It is for this reason that the Trustees would like to thank everyone in the village who has helped raise money for the fund recently. Every year the collection from the Carol Singing goes to the fund, £210 was raised in December, and this year we were delighted when Kirsty Cann delivered a cheque for £120 from the Burns Night held in January. Meanwhile, so many of us enjoyed a wonderful evening in the Parish Hall recently to celebrate 30 years of having Marty as our wonderful postman. He made a total of £786, which he very generously donated to the fund. Finally, the Six Bells and their 'quizzers' have kindly donated the profits from their quiz nights and produced a total of £64.

The Payhembury Relief in Need Fund is exactly what it says; it can make grants to help out those who have an extra expense or are finding things difficult. Because of these generous donations from so many people, the Trustees are now able to do this when necessary.

If you have any unexpected problems you think the Trustees might be able to help with, please make enquiries of any of them in the strictest confidence.

Once again, our thanks to the village.

Trustees: Ian Derbyshire, Rev Cate Edmonds, Lesley Elford, Tim Cox, Marty Richards and Di Somers

## DONATION ENVELOPES

This issue of the Parish Paper contains a donation envelope, which we hope you will use to give towards the costs of printing this magazine. Everything else is free, but we do have to pay the printer!

Our aim is to ensure that the Parish Paper remains free of charge to all.

The committee would like to say a big thank you to everyone for the kind donations we have received over the last year.

## **Yellingham Farm Diary – May**

May is a great month on the farm. The cattle are starting to lose their winter coats and beginning to look like they are wearing a mink coat. As I write, I think they wish they had a mink coat on as it is lashing with rain and freezing cold.

We sent off a few cull ewes last week, which is never a great thing, but they have to go if they are no longer able to get in lamb and/or rear lambs successfully. Tough decision sometimes but always the right one. We have just a few remaining lambs from 2014 which are now a year old and are commonly referred to as 'hogget'. There are many interpretations of the word hogget, but the dictionary defines it as a young sheep before its first shearing. I believe it is the best lamb you can eat as it is more mature, and the last remaining few will be slaughtered for meat and for sale from the farm – just delicious!

I mentioned last month that the skill now on the farm is to keep everything alive. It would be wrong of me to paint a rosy picture each month as problems do occur. It happened last week when for no apparent reason I found a dead ewe in the field. Obviously there was a reason, but it is not economic for one isolated case to have a post mortem. Thankfully her lambs are well grown and got weaned earlier than the others. What do we do with such a ewe? The Devon casualty service is excellent and come and pick the ewe up and take it away for incineration. Hey ho, life goes on.

Finishing on a positive note, the lambs are growing on well and have been wormed. The ewes have all been foot trimmed and the grass is growing like mad. Nell's puppies are divine and are now six weeks old and really into mischief – by next month I hope they are all settled into their new homes.

## **THEY DREAM OF HOME Use of Payhembury Roads**

*They Dream of Home* is a promenade production which takes place in a number of village sites, thus requiring the audience to walk between scenes. Compared with, for example, when the roads were closed for the first TVCT production in 2000, *Parson Terry's Dinner*, the cost has multiplied and the procedure for achieving it hugely complex.

I need to ask for people's co-operation in parking elsewhere (the sight of modern cars will undermine our attempt to transport people's imagination back to the early 1900s) and, if driving, tolerate a short wait whilst the audience moves from site to site.

In addition to the Parish Hall car park, I am hoping I can negotiate some audience parking spaces on the edges of the village so that the sight of cars is kept to a minimum. Stewards will be on duty in reflective jackets to advise.

Please contact me if you have any thoughts on this issue and/or are prepared to help beforehand and on the performance nights. It would help if motorists from other parishes could avoid driving through Payhembury.

## Nature Notes

### Observations from May

Hello everyone

Have you heard the cuckoo? Well, I haven't heard it for many years, but John Horrocks has not only heard one, but he's seen one! He wasn't sure what it was at first, but looked it up in a bird book, and sure enough, it was a cuckoo. A bird the size of a collared dove, but with a long tail and different markings. Cuckoos are now quite scarce in Britain, nobody seems to know the exact reason for this, so young cuckoos are being fitted with tracking devices which follow their progress to Africa. There has been some success, but the birds seem to disappear over there.

The whitethroats have arrived in force and can be seen, and heard, up Haskins Lane. The male bird flies vertically up from the hedge tops, singing his scratchy song to attract a mate. I saw a male blackcap recently. The female should be called a browncap, for obvious reasons! The male has a lovely song. Walking through the park in Sidmouth the other day, we saw several pairs of grey wagtails in the river Sid, together with a dipper, which performed for us by diving under the shallow water and walking along the river bed looking for food morsels, which he found. Bidy tells me that the house martins and swifts have arrived in Colestocks. Swifts are the last birds to arrive from Africa, and the first to leave, which they will do in July.

One beautiful sunny day, I walked down the lane to the stream in the bottom, near to Brian Cooks, and there were lots of butterflies on the wing. I counted seven species, which were large and small whites, orange tips, a comma, a peacock, a speckled wood and a lovely lemon male brimstone. I have not seen so many before or since.

Bye for now, Alan

The next Council meeting will be held on Wednesday 8th July at 7.30pm in Payhembury Parish Hall.

# Payhembury Past

Here are two photos taken of the pupils of Payhembury School, the first dating from around 1927 and the second dated, by the look of the clothing and hairstyles, a decade or so later. If children who currently attend the village school are wondering where

the pupils' uniforms are, they may be interested to hear that it wasn't until 1969 that the school's PTA suggested that pupils adopt an outfit of blue and grey, so prior to this, it would have been non-uniform day every day!

## Parish Coffee Morning

A sincere thanks to Alison and Anthony Burrough for hosting the coffee morning in May when a jolly morning was had by all. The next coffee morning will be on Wednesday 17th June at 11am at The Old Vicarage, by kind invitation from Marian Edwards and where we can be sure of a warm welcome.

Hello Friends

I do hope you are having a good spring; we have been having great fun. After watching all you children having fun on May Day dancing around the Maypole, we thought that we could do the same. So, Parchina and I gathered some friends together and with Dad and Mum's help we managed to make

a great Maypole for ourselves and we spent a lovely afternoon Maypole dancing in the church yard. Oh, we had such fun, but we weren't as good as the children on May Day; we need Mrs Morris to teach us! We got very tangled in one dance and poor Parchina was tied to the pole with the ribbons, but she laughed and laughed and wouldn't keep still so it made it difficult to untie her. We were exhausted and had to have a long drink of the yummy nettle lemonade which Grandma makes for special occasions and we munched through piles of seed cake too. It was a lovely afternoon and we hope we can do it again. If we practise we may be nearly as good as the children at school.

I'm not sure our singing will ever be as good as theirs. We love to hear them when they come into church on a Thursday, they're much better than the adults on a Sunday, hee hee! We thought they were particularly good when they came to church on Ascension Day for a much longer service and we also learnt a lot as Reverend Cate explained all the different parts of the service.

We also enjoyed seeing little Sebastian christened on Whit Sunday, which we believe is a very special day? Someone said something about the birthday of the church but we didn't see any birthday cake with candles. There were some nice crumbs left for us after the celebration though.

The sun is shining and it looks as if it's going to be a nice day, so Parchina and I are going to do some tree climbing so we'd better go now. See you soon.

Love, Parchie and Parchina

# Payhembury Weather

## www.payhembury-weather.co.uk

**Rainfall:** April was a dry month with only half the normal rainfall. In contrast the first half of May has been a lot wetter than normal ensuring the grass is growing well.

**Temperatures:** April was much warmer than average with records being broken on 15 April but early May has been around average at least for daytime temperatures. My temperatures should be more accurate with the new weather station.

**Sunshine:** January to April has been sunnier than average with April breaking records over the UK. I have plotted the monthly means from my solar cells on the website.

**Weather elsewhere:** The El Nino sea surface temperature anomaly in the Tropical Pacific is reported to be intensifying potentially causing drought in Australia and more rain in California. More than 25 tornadoes were reported recently across the central plains of America, one hitting Tulsa, Oklahoma.

We held a fabulous clothes swap party in the village hall on Friday 15th May. The event was in aid of the Disasters Emergency Committee's (DEC) Nepal Earthquake Appeal. DEC oversees many well known aid agencies including Oxfam, Islamic Relief, Save the Children and the British Red Cross. These charities are currently out in the field, providing aid and helping Nepalis rebuild their shattered lives.

On the night, people turned up with their old unwanted clothes and swapped them. The money was raised by auctioning the 'wanted' clothes. Clothes swaps are a great way to recycle clothing and raise money.

I would like to thank everyone who came on the night, those who helped me organise and set up, those who could not make it but who made donations of cash and clothes, and Otter Nurseries who provided us with clothes hangers and rails. This team effort ensured the night was a massive success raising £600 in just three hours. Well done all and heartfelt thanks.

## Tale Millers Cricket in May

The cricket season in Payhembury has got off to an excellent start with a great effort for Nat West Ground Force Day seeing the completion of various projects, such as the bridge to assist ball retrieval, hut for the mowers, plumbing and electrical installation, and decorating the windows and toilet, topped off with some

very tasty Tuck Mill pork and apple burgers, courtesy of Libby Carden.

Grant has been working hard to set up the bar under licence and we now have draft Thatchers and Carlsberg on tap as well as a none too shabby bar area where guests are welcome. Social membership is just a fiver for the year. Miles East has also been treating us to some cracking food, again after cricket it's just £3 a time so unbeatable value!

Onto the actual cricket and the mighty Millers are unbeaten after two games, a 130-all tie with Pinhoe and a five wicket win against the Blacksmiths and Artizans. Early season runs have come from Dan Rugg, Simon Kittow, Oli Kittow and Roger Goulding in the main. Good effort guys! Next, we travel to Killerton on Sunday 24th May for a 40 over game so match report to follow.

Many thanks for everyone's help and support.

## PAYHEMBURY PARISH HALL

The Payhembury parish hall committee had their AGM last month. The hall continues to be well used and has hosted a range of performances over the last year. The current parish hall committee stood down, although Louise and Di now have new roles, and we would like to thank them and all of the old committee for their hard work over the years. A new committee was elected with Kevin Wooff as the new chairperson. We look forward to new ideas and projects. We would love to get feedback from hall users on their experiences, both good and bad! Our next meeting is on Tuesday 21st July at 7.30pm in the parish hall. New members are always welcome.
