Reverend Cate Edmonds
The Rectory
Station Road

Dear Friends,

How lovely it is as I write this to see blue sky with just a wisp of cloud from my office window. When I woke up early this morning to walk the new addition to our family the air was fresh, the sky was blue, the sun was just rising to shine and the world looked wonderful; I appreciated my walk and the world around me. It might sound rather romantic and I'm sure we all appreciate how fortunate we are to live in this peaceful part of the world.

I have to say having a new 4 legged friend, by the way she is a black collie named Sasha, has made me go for longer walks than our old dogs could cope with. It's such a good way to spend some time in thought. One train of thought was about Sasha; she was nearly 8 months old when we got her, she had had no training at all and certainly was unsure about what was right and wrong. So she needs a guiding hand to teach her, if left untrained she certainly could not become part of the family, she needs to learn the rules of the home and community so that she can become a considerate and useful member, taking an active part in our lives.

My train of thought moved onto humans, we too need a guiding hand from time to time; we need training not just in the physical things of life but in the spiritual and moral ways of the world. Without a guiding hand, teaching and example we run the risk of being out of control and not "house/community trained". We all have the guiding hand of God available to us to guide, protect, to steer us on the right path and help us to develop our moral code. As Christians we follow the teachings of Jesus as our training manual, yes sometimes we have "accidents" and make mistakes, but like any good dog owner/trainer God forgives us and lets us try again, perhaps a bit harder.

I am really appreciating this extra time I have for reflection, (whether I will on a cold wet winter morning, we'll wait and see) but I know it's good for us all to take time to think about our place in the world and perhaps what additional training we need. Not everyone will appreciate my canine analogies, but we can learn from a range of people, situations and things and I hope you may get the meaning and don't forget DOG spelt backwards is GOD.

Every blessing, Rev Cate

Nine members attended the meeting held on Wednesday 17th June at Gosford Pines. Apologies were received from one member who is recovering after a recent hip operation. Our Leader, Mary, welcomed everyone and led us in hymn and prayers.

Following notices, and orders taken for next year's diaries and calendars, we enjoyed our members' own meeting when we were invited to share amusing anecdotes. Members also had the opportunity to browse through two books containing illuminated manuscripts. We all enjoyed a lovely cream tea and were delighted to celebrate the birthday of our Treasurer.

There are no meetings in July and August. Everyone is wished a happy summertime.

Our next meeting is on Wednesday 16th September when Mr. Phil Clarke will be coming to speak to us about 'Operation Christmas Child'.

Success for Ottery Help Scheme's 'Party in the Afternoon' at Cadhay

It was a perfect early-summer afternoon at Cadhay, so the gardens and lakeside walks were at their sunniest and were blooming their finest. Added to that, the children's amusements in the walled garden attracted a new group of supporters for our event and the lawns were alive with happy families.

Two bouncy castles ensured safe jumping, both for tots and youngsters, and Creation Station operated a popular craft corner in The Barn tea room. There was an endless queue for face-painting and patient Hannah was decorating small faces from the start at 2.00pm until finish just before 6.00pm. Refreshments and homemade cakes and scones went briskly with little break, and free squash was welcomed by thirsty children taking a rest from bouncing in the sun.

Also outside, our new Chief Officer, Helen, and husband Mike did steady trade at the barbecue. Our ingredients were sourced from Ottery businesses K & M Butchers and Crusty Cob bakers. It was such a pleasure to see so many having a good time in the sun at this lovely venue and a final count revealed a profit for our charity's fund of £777. This also was such a pleasure!

Thanks to the Help Scheme volunteers who worked hard on this busy day, plus those who baked a gorgeous range of cakes. And especial thanks to Rupert Thistlethwayte for the use of Cadhay's excellent and attractive facilities, placed at our disposal for fundraising each year at this time.

Clarets' Corner

The Clarets kick off the new season in the championship with an away fixture at LEEDS UTD on August 8th, followed by our first home match at TURF MOOR against BIRMINGHAM CITY. Our local game will be at Ashton Gate against BRISTOL CITY on August 29th, hoping for a swift return to the premier league.

What a great effort has been done to update the WATERLOO PLOT, along with the refurbished TELEPHONE BOX it's looking really impressive, well done to all concerned! See you around the village and UP THE CLARETS!

Tale Millers Cricket May/June 2015

Another successful month on the weather front saw games against Broadclyst, Broadhembury Lions, Geriatrics and Pinhoe completed, although the away game at Clyst Hydon was lost to the weather on a blustery drizzly night. Whilst the scorebook says that the Millers lost three out of four, that would only really tell half the story, as the squad continues to acquaint /reacquaint itself with the game.

On a nature watch note, Tim, our wicket keeper, spotted a ryneck whilst mowing the field the other evening, apparently very rare in twitching circles, whilst Dan Rugg spotted a pretty doe deer grazing the boundary.

At Killerton we bravely agreed to a forty over game and bowled and fielded superbly to restrict the home team to 135-7, with Ben Peters weighing in with two wickets and the Kittow boys both producing lively opening spells. After the chairman had limped off injured and tucked into tea early, our reply never quite got going and was with hindsight a bit too “Twenty overish” in its approach. Jon Pengelly top scored with 23, supported by Dan Rugg (13), Simon Kittow (12) and 10 runs from our overseas player, Fred Brauer; one day he might learn to run to the stumps, not out to first base! We fell short and lost by 56 runs.

This was followed up on a freezing night at Tuck Mill, when we lit a camp fire to keep the spectators warm before we even started the game! Broadhembury posted 144-7 with the Millers again falling short on 120-8. Simon Kittow picked up two wickets and a not out 29, to claim the Man of the Match honours. On a somewhat warmer Tuesday evening, we continued the losing theme, The Geriatrics proving to be a level above us..... they didn't look very geriatric to me!

A second victory of the season eventually came in a high scoring game with Pinhoe, the visitors making 138-9 and Millers chasing the runs down with an over to spare. Runs came from Roger Goulding, Simon Kittow and an impressive 23 from new boy Paul Hynam.....always good to have a doc in the squad... The Pins also bowled a lot of extras, which was quite handy.

Miles East's excellent after match dinners, washed down with a draft Thatchers or two, ensure that all leave in good spirits. In our village it truly is the taking part that counts (luckily as we lose a lot more than we win!)

Coming up we have games on **1 Jul v Clyst Hydon, 12 Jul v Fullsys Allstars, 17 Jul v Broadhembury and 26 Jul Tale Cricket Day**. Spectators are always welcome, social membership is just a fiver per year.

Church Ploughman's/Soup Lunches

This venture has proved to be enjoyable and worthwhile. So far we have raised £1,257.

The May lunch was held for Christian Aid and £160 was sent to them.

We wish to thank our ladies and gentlemen who lunch with us for their generosity and loyalty.

We are taking a break now, so there will be no lunch in church during July or August. Please note we return on Monday 14 September with a ploughman's lunch - usual time 12.00 to 14.00.

Don't forget, we also do takeaways and home delivery!

With best wishes from the Church Lunch Ladies

Churchyard Clean-up

This will be on **Saturday 25th July from 10-12**. We greatly appreciate all the help given each month by a few willing helpers. It would be great to see one or two more. Come with strimmers or just yourself! Thank you.

Open Gardens Success

I would like personally to thank all those that participated in the Open Gardens event in Payhembury on Sunday 14th June. In particular, the other four owners who opened their gardens, Caroline and Angus Forbes – Cokesputt, Edward and Janet East – Yellingham Farm, Lin & John Horrocks – Wheatcroft and Gerald and Shirley Evans – Yarrow Park.

I would also like to thank Pat Fowler, who mastered the refreshments on the day and all of her helpers, plus all those that made the scones and cakes (and very good they were). I would also mention Jo Vincent, who kindly cleaned the floor in the small hall after we had finished. (Was a bit messy.)

We had over 200 people attend, which was marvellous, and received (with entry tickets, sales of plants, sales of extra refreshments and donations received from those who could not attend and others) a total of **£1443** which has been passed to Hospiscare to help them carry out their most vital service.

Once again many thanks to all.

Nature Notes

Observations from June

Hello there

In the garden, this is the time for lots of the new young birds, which have left their nests. We've seen young goldfinches and greenfinches, as well as house sparrows and starlings. It's lovely to see the youngsters clamouring for food from their hard worked parents. This scene will carry on for a month or two.

We recently took some visitors to Topsham, and walked round the Goat Walk, which skirts the estuary. Most of the Winter visitors (birds) have now gone back to their breeding grounds overseas, but there were a few black tailed godwits still about, together with the resident shelducks, mallards, herons, mute swans, etc. Lots of black headed gulls squawking about, of course.

Since last month, we've been to The Cevennes area of France, for a week's nature watching. The birding highlight was seeing a group of about forty griffon vultures soaring above us. These huge birds were, historically, fairly common in this remote area of France, but became extinct in the 18th Century, due to Man's pressure. However, they were re-introduced from Spain about forty years ago, and there is now a thriving population. We also saw red backed shrikes, which are now extinct in the UK, plus tree pipits, dippers, yellow wagtails, a red kite, a black kite and many other good birds. The wild flowers were superb and the butterflies pretty good too.

The last time I've walked up the lane, I've seen a painted lady butterfly. About ten years ago, we had a huge influx of these pretty black and orange butterflies in the UK. They were blown here from North Africa on the warm southerly winds. I understand that this might happen again this Summer!

Yellingham Farm Diary – June

The phone call came late on a Friday night – it was the shearer, thank goodness. At this time of the year, the main worry for most sheep farmers is fly strike. This is caused by large blue bottle flies laying eggs in the sheep's fleece, which then very, very quickly hatch into maggots. It is a horrible experience, firstly for the sheep, but also for the shepherd.

Good shepherding is the best way to prevent it and the most important thing is to make sure your sheep are clean, particularly their rear ends. So getting the wool off is always a welcome task. Two shearers arrived very early in the morning, so we did bring some sheep in over night so that they were dry and the shearers could start quickly. It was a good job that we did bring them in, as there was a very heavy dew and the fleeces on the remaining sheep outside were damp. Rolling and packing damp wool is definitely a no no. So we were underway. Miles was pushing up the sheep for the shearers, they don't like to stop once they start. Myself and a couple of others rolled the fleeces and packed them into the large wool sheets ready to send off to the Wool Marketing Board.

The sheep sheared well, which is always helpful. If the wool hasn't 'risen' properly off the back of the sheep, shearing is much more difficult and of course takes longer. So with all the ewes shorn (not the lambs), I was very happy. There is still the risk of fly strike in the lambs, so our next job is to spray them with a preventative solution.

As I write I have just two remaining pups to sell and it looks like one of them might be off to Finland – a long way to go, but a wonderful home. Fingers crossed.

Parchie and Parchina

Dear Friends, just look at what Parchina and I have been up to. We are learning to play music, I'm learning the French horn and Parchina is learning the clarinet, she wants to play jazz but I want to form a mouse marching band, I just love all that noise. We both love it when Rev Danny comes and plays his guitar, as well as Babs on the organ, what a great noise. We especially loved it when little Sebastian was christened a few weeks ago, lots of happy music and he obviously didn't notice some of the wrong notes that were sung as he laughed throughout the service.

The children from school never sing any wrong notes when they come to church, they sing happily and we peep over the top of the screen and watch their happy faces and sway to their music. Soon Parchina and I will be able to join in with our instruments, I wonder if they will hear us?

We have been chatting to some of our field mice friends about joining a band and they were very excited. One of them is going to make a drum kit out of acorns and pieces of a tin can and another one is making a flute from some tough straw, oh we will be able to have our own Party in the Park in the graveyard!

I wonder what the singing will be like when we have the next christening of Ashton soon, we'll let you know next time.

Well Parchina and I have lots to do, we have to practice very hard if we are going to be like the bands at Party in The Park, we will need to work our little fingers very quickly and have lots of puff, but we must try not to disturb Grandpa and Grandma mice when they are having their afternoon nap in the sun; perhaps we'll go to the top of the tower, that'll be fun. Well off we must go and tune up, see you soon, Parchie and Parchina.

Cup of Tea and Bingo!

Our next get-together will be on:

**Wednesday 8th July
in the Parish Hall from 2.15pm**

BINGO

All as usual – ten games of Bingo, some prizes, a cuppa, some cake and a laugh or two – all for £2.00. What more could we ask for? Please note we will NOT be meeting in August – it's the holiday month!!! So hope to see you on the 8th July – if you can't make it then, sadly, you will have to wait until September! What a pity! See you soon.....

Payhembury Weather

www.payhembury-weather.co.uk

Rainfall: May was a pretty average month for rain, but June so far has been dry with one period of heavy rain on 12th June and no prospect of rain for the rest of the month.

Temperatures: Whilst May has been warmer than average, June started sunny but with a cool north wind, so temperatures are for once just below the average for the first half of the month.

Weather elsewhere: Animals from Tbilisi Zoo roamed free after the Vere River burst its banks, causing cascades of water to wash out the city. A white tiger who escaped killed a man before being killed itself. Meanwhile, temperatures in India soared in May, causing the deaths of 2500 people. On 21 May the temperature in the Indian capital, New Delhi, was reported to be 42.6 °C (108.7 °F).

Waterloo Plot

Over the last year, Payhembury Parish Council has been carrying out a makeover on the piece of land next to the phone box known as the 'Waterloo Plot'. This has included clearing the site, installing new fencing, a gate, paving and a bench. The phone box (a rare 'K6' model which is grade II listed) has been repainted and reglazed. The aim was to make the plot of more use to the community. The plot was formally opened by Di Somers on June 20th, timed to coincide with the 200th anniversary of the Battle of Waterloo. We'd like to thank all the volunteers who have worked on the project, but particularly Rob Leach and Mark Disney, who provided materials and machinery.

Here we are Again

Rehearsals are going well for *'Here we are Again'*, TVCT's evening of songs and poetry from WW1 to be held on 18th July at Payhembury Hall. Poems range from the comic ...

*Now Albert had heard about lions
How they were ferocious and wild
And to see Wallace lying so peaceful
Well... it didn't seem right to the child.*

*So straight 'way the brave little feller
Not showing a morsel of fear
Took 'is stick with the 'orse's 'ead 'andle
And pushed it in Wallace's ear!*

..... to the movingly serious and each will be introduced by its reader. Anne Dalton has chosen the items on the programme and the MC will be Laurie Palmer, famed locally for his work with Ottery Community Theatre. Music will be played by Bruce Odlin (keyboard) and Steve Chapman (banjolele – no, I hadn't heard of one before either!) and each poem will be read by a new speaker. A free ploughman's will be served during the evening. Audience members are asked to bring their own drinks and glasses. Payhembury Hall will be decorated with flags and bunting with the table décor reflecting the patriotism of the time.

Tickets are on sale at Payhembury Shop or from John Somers (j.w.somers@exeter.ac.uk or 01884 277390 or 07934 611368) and, to ensure we provide the right amount of food, please buy beforehand. This promises to be an excellent evening of accessible and enjoyable performances. It is one of the events leading up to *'They Dream of Home'* the promenade production in Payhembury in September.

News from Payhembury Primary School

Lots of well dones and congratulations are in order this month...

Year 3 and 4 children took part in a football match with Clyst Hydon and won!

Well done to the Year 2 children for completing their SATs tests, and Years 3,4 and 5, who have also been completing assessment tasks.

Ash and Willow have taken part in sports events at King's, and by the time you read this, we will have held Sports Day, so a big well done to everyone who took part!

We've moved the library into a new space, in preparation for September, as the classes are changing.

Our Year 6 children are off to King's for their transition week in July. It's a big step, but we're sure that they'll enjoy it.

See you at Party in the Park!
