Dear Friends,

By the time that you are reading this I expect Ascension Day has passed, 25<sup>th</sup> May. The day we celebrate the risen Jesus Christ leaving Earth, ascending, to join God our Father in Heaven. Last year and again this year there is a prayer initiative entitled Thy Kingdom Come, a line from the Lord's Prayer. Christians all around the world, this year especially, are called to form a wave of prayer between Ascension Day (25<sup>th</sup> May) to Pentecost (June 4<sup>th</sup>), the day we celebrate the Holy Spirit descending on the disciples to give them the power to continue Jesus' work on Earth.

There are a range of activities happening in our local churches. In the churches of Escot, Feniton and Payhembury there are cards on each church gate which people may use for a prayer walk around the churchyards. Our church yards are beautiful places, lovingly cared for by loyal bands of volunteers, to whom we are indebted. They are places where people come to remember or pay respect to loved ones who have died or just places to sit and be quiet and reflect on the beauty of creation. I do hope that you will take advantage of this opportunity to visit our church yards.

Other activities around this time will be a regular emailing of those interested of a daily prayer and refectation; individual prayer cards available in churches for daily prayer; and on Ascension Day our Year 5 children are taking part in a very special Ascension Day activity at Ottery Church. There will be an Ascension Day service at 7.30pm at Escot Church, as well as Pentecost celebrations in each church at the usual times on June 4<sup>th</sup>. The culmination of Pentecost will be a special service in the Cathedral at 6.30pm on 4<sup>th</sup> June, where some of the prayer activities etc will be displayed and our local prayers taken to the cathedral. All are welcome to this service.

Why, you may ask, is this happening? It is hoped that this world wide wave of prayer will inspire people across the world to reflect, to think about faith, but also bring hope and even peace for a time across our rather distressed world. On a personal note, I hope that through our communities we will feel an even greater sense of community spirit and you never know we may see some very interesting things happening. If you have time please take part in some way and, you never know, we may feel a wave of peace pass among us.

Every blessing, Rev Cate

## Coffee Morning

### Wednesday 21st June at Yarrow Park

The wisteria at Cokesputt was a joy to behold when we visited there for the Coffee Morning in April, and it was lovely to wander round the garden after enjoying the delicious treats offered by our kind hosts, Caroline and Angus. Very many thanks to them for their hospitality.

The next Coffee Morning will be on Wednesday 21st June at Yarrow Park by kind invitation of Shirley and Gerald Evans. This is a new venue for us so we look forward to exploring their garden and hope for a fine day!

All proceeds from the Coffee Mornings go to Church funds.

If you would like to know more about the Coffee Mornings please give me a call on 841828.

## Tea and Bingo Report — May

A happy gang of nine people played bingo in May, with two people playing cards for those who couldn't make it – although some were luckier than others with the prizes!

Apparently I owe the shop an apology as I did not mean to suggest their cakes aren't good – in fact they are lovely – but that it was lazy of me to buy a cake instead of make one. This time I did make one and as usual Marjorie brought a lovely one too.

There is plenty of room now we are accommodated so nicely at the pub, so do join us or just pop in to any meeting.

**Our next meeting is on:**

**Wed 7<sup>th</sup> June, 2.15pm in the Six Bells**

As usual, if you need a lift or have any questions, call Marjorie (841110) or Sue (841103).

**Do you have an event to publicise, or some news to share?  
Email: [payhemburypaper@yahoo.co.uk](mailto:payhemburypaper@yahoo.co.uk) by the 18th.**

## The University of the Third Age: 'Learn, Laugh & Live'

For our meeting on **Wednesday 21<sup>st</sup> June** the talk is entitled '**Beetle Wings & Pop-ups**' and we will be welcoming our speaker Robin Wootton, Honorary Research Fellow of Exeter University, who will explain how fans, origami, pop up books and beetle wings have helped in the spectacular development of many man made folding structures.

**Venue: The Beehive Centre, Dowell St., Honiton**  
**Doors open 1.30pm for a 2pm start**

Members Free and Visitors welcome (suggested donation of £2.00)

## Saturday 10th June, Singing Workshop, 10am to 4pm in the Parish Hall Misbehavin' Jazz in the evening from 7.30pm, licensed bar

All proceeds to Payhembury Church

All singers, whatever your experience!

Come and join in this fabulous singing workshop with Helen Porter and learn how to sing better, improve your technique, and enjoy your singing more!

The workshop is from 10am to 4pm and in the evening Helen and her band, Misbehavin', will provide a fabulous night of sultry jazz!

Tickets for the workshop (£20) or the concert (£12) or both (£30) are available from Payhembury shop, [www.kenarts.net](http://www.kenarts.net) or from Christine Thair on 01404 841322.

BUT sign up soon - there are limited places available...

A poster for a singing workshop and concert. The background is dark with a pattern of musical notes. On the left is a black and white portrait of Helen Porter, a woman with long dark hair, smiling. To the right of the portrait, the text reads: 'Singing Workshop with Helen Porter'. Below this, it says 'All Welcome 16yrs and over', 'Saturday 10th June 2017', '10am to 4pm, Payhembury Village Hall', 'Evening Concert 7.30pm, by Helen's Jazz Group - Misbehavin'', 'Workshop and Concert £30, Singing Workshop only £20, Concert only £12', and 'Tickets from www.kenarts.net or Payhembury Shop or ring Christine: 01404 841322'.

### My Word!

Storytelling is the oldest form of human entertainment. Shared reading allows us to explore what is important to us, and why.

A new storytelling group in Talaton offers an enjoyable and entertaining opportunity to share a love of the written word and what stories are important to us.

This is not a book club or a book-reading group. Rather we shall read together excerpts from this and that, and we can practice telling each other stories – or, if preferred, writing them down.

**Venue:** Talaton Parish Hall.

**Friday mornings:** 10.00–12.30.

**Booking** for six-week block: June 9, 16, 23, 30, July 14, 21.

**Cost:** £48 (£8 per session). **Enquiries to:** Martin Paine, 07519 732800, martin@danubluе.uk.

## Parish Paper Deadline: Sunday 18th, 4pm

Please send in any articles or snippets you want including before the deadline. Editors have to fit the paper around work, children and other commitments. Rearranging pages in order to squeeze in late items can take a lot of time. If you really can't make the deadline, please let us know in advance so we can do our best to accommodate you. Thank you!

### Bell News – Calling New Ringers!

In March we had some essential maintenance done on the church bells, including the replacement of bushes and pulleys, and the provision of new bell ropes. The cost of this has been covered by a grant from the Devon Church Bell Restoration Fund and fundraising by the bellringers themselves. The bells now ring much more smoothly.

We currently continue to ring with six regular ringers for Thursday practices and Sunday 11.00am services, but are desperately in need of some new recruits.

If you fancy a try at bell-ringing, just want to have a look at what we do, or if you used to ring but haven't done so for a while, come along to a Thursday night practice from 8.00pm. Or if you would prefer another time for a one-to-one session, give Colin Blake a call on 841026.

### The W.I.

We were fascinated to hear local architect, Steve Eastland, tell us of his many experiences over twenty and more years of practice, after seven years of training. His time as a loss adjuster saw him at the terrible aftermath of Hurricane Marilyn in 1995, at the church fire in Buckfastleigh, and at a house on top of a suddenly discovered tin mine in Cornwall.

It was interesting to learn about crematorium design, and to know that insulating the inside of cob walls is not a good idea, because of the dewpoint. The expensive array of tools and software used in his practice were a revelation. And finally, good architecture combines function with beauty.....as Keats nearly said, that is all ye know on earth, and all ye need to know!

At Bluebell Time, we perambulated around Hembury Fort and admired the new views and lovely flowers. Nobody saw an adder!

**Next meeting**  
**June 13<sup>th</sup>, 7.30 pm in the hall**

Not Just For Breakfast...Sharon Davies speaks about how a B & B helped develop granola as a breakfast cereal business, and the other uses for it. There will be delicious cake to sample!

Do come along and see what goes on at the modern WI, you will be very welcome. Please contact Angie Car on 841862, or Julie Ashcroft on 841189.

## Yellingham Farm in May

I have never seen so much grass, it keeps growing and growing and all my ewes and lambs are hardly making an impression on it. Mustn't complain though, as if this dry weather continues, it will impact on the grass growth. Mind you, I remember when we bought the farm, everyone commented that "Yellingham was a very grassy farm". Thought it was a stupid thing to say at the time, but they were right.

Naturally the ewes and lambs are growing on really well and some of my ram lambs are nearly as big as their mum. The next job on the list is to vaccinate all the lambs against the millions of illnesses they can get, such as pulpy kidney, blackleg, tetanus – the list goes on. Two injections two to six weeks apart. It's an important job and not one to leave undone as the lambs have only got immunity from their mum for a short period of time after birth.

With all the stock turned out, and lovely dry weather, it's been a good month to really push on with training my lovely red and white Border Collie Ralph. He's now two and really starting to show signs of being a very good dog. I have got 14 black welsh lambs which I kept from last years lambing, who are ideal for training a dog. They move well, flock tightly together and aren't too scatty with a young dog. I take Ralph out every day without fail for about 10 minutes – I'm exhausted after that amount of time – not the sheep or Ralph!

I am working hard on getting him to remember his sides – I use the command "Come Bye" to go left and clockwise and "Away to me" to go out to the right and anti-clockwise. Also, I am working on getting him to run wider as this settles the sheep. A few weeks ago he was working too close and we did have sheep going off in all directions. If he keeps progressing as fast as he is at the moment, I think I might have a very useful dog in the making.

The photo is his trick after working, to cool down – either a trough or the river Tale, whichever is the closest. There is only one problem..... I have to move smartish to avoid getting soaked as he hurtles back to me at 100 mph, shaking furiously, for a well deserved pat on the back. Bless him.

Janet East

# welcome!

A big welcome to all the people who have joined the village in recent months, including: Derek and Cath at Barrow Road, Ben and Rachael at Robin Cottage, Phil and Tina at Willow Park, Karl and Sandra at Wheatcroft, Ashton and Lucy at Wren Cottage, Gareth and Mary at Ashcombe, Ryan and Isobel at Summerdale and Brian and Nadine at Briarwood! (If we've missed anyone out, please let us know!)

# May Day

An outstanding effort from the MET office brought the sunshine for May Day and the crowds came to celebrate. A beautifully poignant crowning on the green was followed by fantastic dancing from the children. No permanent injuries came from the welly wanging and all the dogs were very well behaved for Janet East in the dog show. Days of summer were welcomed in by the fabulous Otter Morris dancers, what a way to celebrate. Fun and laughter throughout made it a day to remember.

Thank you to all the FOPs committee who worked so hard to make it such a success and to all those parents and supporters who gave their time to help. Many people without a link to our school give their time to support FOPs, which is what our community is all about. It's when everyone works together that great things are achieved. This year we raised an amazing £1000 for school, which I know will make a real difference in these difficult financial times. So thank you once again to everyone who made it happen, you make a real difference.

Kirsty Cann

## Village Tree

The ribbon was cut to celebrate the new village tree by Heather Wallace, whose mother Kathleen Lawrence planted the cherry tree. The Parish Council would like to thank all the donors for their generous contributions, the residents around the green for watering the tree over the last year, and FOPS for offering the May Day event as an opportunity for the ribbon cutting.

Keith Williams

Photos show the ribbon of the new tree being cut by Heather Wallace, and the original cherry tree being planted by Kathleen Lawrence.

## Tale Millers Cricket

Funny old month weather wise, the farming part of me is enjoying the rain, the cricket part of me finds picking teams then telling them the game is off, a bit of an inconvenience! The highlight of our month has no doubt been the opening of the new Groundsman's Hut and Ladies and Gents Toilets, by the right honourable Lady Janet East of Yellingham, who as you might expect, turned up in a delightful straw hat and gave a short humorous speech before cutting the ribbon, in front of an impressively large crowd. Thank you Janet and everyone who turned out on another chilly evening.

To date this month we have played three and won three, a good record, although tonight's game is now off and Friday's game against Talaton Inn must also be in doubt. There have been victories over Cavendish Cavaliers, Broadhembury Lions and Blacksmiths and Artizans, with notable contributions from Roger Goulding, Roland Stonex (no one ever gets him out.....it's like throwing a ball at a brick wall!), Si Kittow (whose Dad turned up to cheer him on, on his birthday, and ended up playing for the first time in a year or so I understand), Dan Rugg and Jon Pengelly. It's also been good to welcome new squad members Mark Hammett, Ben Norris and Brian Hammond to The Millers dressing room. Hopefully the weather will soon dry up and we can get on with the cricketing again.

Without getting too Marty on you, finally there has to be a word for the Grecians, who have gone from the very bottom of the football league in late November to a play off place come the end of the season, an effort even Burnley would be proud of. After the first leg miles away in Carlisle (further even than Burnley?), the tie is poised at 3 all, so hopefully by the time you read this I'll be hoarse and have tickets for the Wembley Final.....come to think of it even the final may have been and gone by then, or am I tempting fate?

Anyway, enough gibbering from me, see you in the clubhouse and UP THE CITY!

Jon Carden

## Donations to the Parish Paper

If you enjoy receiving the parish paper, please do consider donating towards our printing costs. You can pop your donation in the envelope included with this issue, and hand it in at the shop.

Thank you!

## Grand Garage Sale, Newlands

Many thanks to those members of the Community that supported the sale. Over £100 was raised for the Payhembury Church and Relief Funds. Well done!

Thank You, Dena and Brian Bird

## Payhembury in Need Relief Fund

The trustees would like to thank Brian Bird for his generous donation to the Fund after his garage sale. It is very much appreciated.

## We need your help!

On Saturday 8th July, Penny, Alison and Becky will take part in the Jurassic Coast Mighty Hike for **Macmillan**. We start in Weymouth and will walk 22 miles, finishing in Studland.

All three of us, like many of you, have lost close family and friends to cancer and we want to raise money to help Macmillan make this horrible disease a little bit more bearable. You can help too by sponsoring us. Go to our Just Giving page:

[www.justgiving.com/fundraising/Ottertrotters](http://www.justgiving.com/fundraising/Ottertrotters) or leave a donation in the shop. Thank you. We'll let you know how we get on!

Penny, Alison and Becky

## Clarets Corner

The CLARETS reached the magic 40 points, which means we will be playing in the PREMIER LEAGUE for another season, considering we were favourites for relegation when the season started! I was unable to get to the MAY DAY event this year (the first I have missed for quite a few years) but all the reports tell me it was very successful, WELL DONE! to all concerned, and also well done and thank you to Brian and Nadine Bird, who held a GARAGE SALE at their home at NEWLANDS recently and made a nice donation to the PAYHEMBURY CHARITY FUND, a really nice gesture! See you around the village and UP THE CLARETS!

Marty

# Nature Notes

## Observations from June

Hi folks

I went train spotting the other Saturday, near Cullompton. For those interested in steam engines, I saw a double-headed (two engines) express speeding through. The engines were "Royal Scot" and a Battle of Britain Class pacific called "Lord Dowding". I'm telling you this because it turned out to be a very good bird-watching spot too – I saw a blackcap singing away, buzzards, a sparrow hawk and two swifts overhead, plus I could hear lots of birdsong – a lovely chorus!

On another beautiful day, I walked down to the river Tale, enjoying all the pretty wild flowers in the hedges. This is surely the loveliest time of the year – bluebells, white flowers, pink campion, yellow dandelions (yes, they looked great), tiny blue flowers and so on. The birds were singing – robins, chaffinches, wrens, chiff-chaffs and many others. I tarried a while at the river bridge – three swallows flying above, a grey wagtail flitting across the river, small fish making their tell-tale rings in the water and a huge heron flew overhead. Lots of may flies about. I had a conversation with some very inquisitive young cows, in the field next to the river. They wanted to know what I was doing there!

Martin has seen a tawny owl, near Tale; Leonard has heard the cuckoo near Yellingham and Pam has had a heron in the pool in her garden (you don't want that!). The song thrushes are singing beautifully now – we had one in our garden trees.

## Parchie and Parchina

Hi Friends,

I wonder if you have ever thought whether we mice who live in church pray? Well I have to tell you we do. When the school children come into church we always listen and pray with them and during services we sit with our family very quietly and join in the prayers. At other times we pray as well. Last thing with Mum and Dad, before we go to sleep, we usually pray for safety, particularly that we won't be caught by the cats, and we pray for our relatives living in the fields and hedges and we give thanks for all the fun we have.

We have been having great fun this month. With it being so dry we have been out in the fields playing with our field mice cousins almost all the time. We have to be careful on the days when the people come and clear up the church yard though, those noisy strimmers are a real danger to us, so we dash off into the fields when we hear them coming. But when we come back the church yard does look nice.

We do love the days when there are soup lunches in church. All those crumbs we can gather quickly are great for us. No one leaves us out a bowl of soup though, which is a shame, so if any of you could have a word with someone about that we would be very grateful.

We also enjoyed seeing the new tree on the green celebrated and are hoping when no one is looking we can go and play under it. Well must dash, have to go and chase Parchina around the church yard – he he.

See you soon, Parchie

## Wanted – New Playing Fields Committee

The current members of the playing fields committee have been looking after the playing fields for over ten years and we feel the time has come to hand it over to a new committee.

Over the years we have organised various fund raising activities, including barn dances, May Days, pub quizzes etc. We have also made several improvements to the playground, including installing the BBQ and securing the council funding for the newer children's play equipment. Most importantly, we have kept the grass cut and the playground as tidy as possible.

You don't have to have children that use the park to take this on, just the time and enthusiasm for a new challenge that will help the village you are part of.

If you would like to be part of a new committee to take on the Playing Fields we would welcome you to meet us at **The Six Bells on Wednesday, the 7th of June at 7.30pm.** See you then.

# Payhembury Weather

[www.payhembury-weather.co.uk](http://www.payhembury-weather.co.uk)

**Rainfall:** It has been extremely dry in April, with only significant rain on the first and last days of the month. May also started dry, but rain has now started falling in the middle of the month.

**Temperatures:** In general the temperatures have been above average during April and early May. However there were some late air frosts on 25-27 April which caused some damage to crops, especially English vineyards.

**Weather elsewhere:** Quebec has suffered bad flooding, with Montreal declaring a state of emergency. In contrast, wild fires in the south western United States continue to burn.

## Payhembury Tennis Club

Payhembury Tennis Club is one of the few sporting organisations in the village and has a single tarmac court situated in the playing fields. It has a history going back 30 years when the court used to be grass. In modern times the tennis club has recently been successful in a bid to improve the facilities and surface.

People wanting to play on the court should use the booking sheets that are held at Payhembury Provisions and there is a small charge for non-members. Membership forms can also be obtained on line, at the Payhembury Village website. Once filled out, please return the form with the relevant payment (cheque if possible, made out to Payhembury Tennis Club) to 9 Hillside, Payhembury, EX14 3HB.

Annual fees are due in April: £30.00 for a family; £20.00 for a couple; £15.00 for a single; £10.00 for a junior, OAP or student. We feel these prices are very good value, as they give members free access to the court all year. And becoming a member enables the court to remain well maintained.

## Payhembury Provisions News

We're always delighted when we find a new local product to sell at the shop and this month we are going to stock a really indulgent sweet treat made in Broadhembury called Frandie macarons. If you were at the recent Broadhembury craft market you would have seen boxes of these flying off the shelves together with their jars of Gloop! which is a delicious sauce, in flavours including chocolate fudge or salted caramel...just right for spooning on ice-cream or for dipping fresh fruit in....mmmm!

We have all seen price increases in supermarkets in the last few months and of course we are not immune to them at Payhembury Provisions, but we do try very hard to keep them to an absolute minimum. Did you know that we are still selling our milk from Gundenham dairy near Wellington at the same price it was when we first opened six years ago?!

Finally, polling day is nearly here and just to prove how impartial we are at the shop we have been stocking up on prosecco for those who will feel like celebrating the result, Doom Bar beer to drown their sorrows for everyone feeling gloomy, and for those who are way past caring there's new fruit flavoured cider!

Happy voting!
