As many of you know, I had an emergency cardiac bypass operation just before Christmas. Thank you to all of you who sent cards and best wishes, or who prayed for my recovery; Cathy and I are very appreciative. What happened to me was a very unsettling experience! I didn't feel ill at all before the operation – I had what is known as a "silent condition" to which no symptoms are attached. What happened was this; in the run up to Christmas I started a slight wheeze, and I went to the Coleridge Medical Centre with what I thought was a chest infection. They took a blood test, and the following day, 13th December (after a full morning including taking a large funeral) I was rushed into hospital. I thought my heart was fine! – but an angiogram indicated there were critical blockages in the supply to the heart, and the consultant said I would need a bypass operation, which should ensure that my heart would be as good as new. And, following surgery and a short stay at Hammersmith Hospital – as far as I am able to tell - it is! (though at the moment my energy levels still drain very quickly...)

At the time of writing we are in the period between Ascension and Pentecost – and as I write, it appears that creation has come alive all at once in the May sunshine after a very long winter. At morning prayer today we read a passage from Ezekiel, including the verse "A new heart I will give you, and put a new spirit within you" and "you shall be clean from all your uncleannesses". The coming of the spirit reminds us that we all need our hearts operated upon by the divine surgeon to become part of God's new creation, forgiven and restored to new life. We may not realise anything is amiss, but we should trust God for his diagnosis: it is far more serious than any physical condition; our hearts are dead – like stone – until they are changed to being alive to God by the operation of the Holy Spirit within us. If you have never signed the consent form for this procedure (!!) – don't delay.

Rev Steve Weston
Vicar of Ottery and Priest in charge of the Otter Vale Mission Community

Saturday 30th June

10-12pm

It's that time of year again when we are asking for donations to the Parish Paper. Of course we have a revenue from our advertisements and we have had a generous donation from Payhembury Provisions but we have printing bills to pay each month and your donations will help us to cover these costs.

Your envelopes can be left in the Parish Paper box in the shop.

Thank you The Parish Paper Committee

Final reminder - Neighbourhood Plan Consultation

The consultation on the pre-submission draft of the Payhembury Neighbourhood Plan closes on **June 9th**.

Download from www.payhembury.org.uk

Send feedback to payhemburynp@gmail.com

If you have any questions, there will be a Neighbourhood Plan stand at the annual meeting on June 2nd.

Car Park

Appeal for a Parish Paper Editor!

We are hoping there are some budding editors in the parish who would like to join our small team. With just 3 of us currently sharing the responsibility (and myself about to head off on maternity leave!), we would be ever so grateful for an extra pair of hands. If you would like to learn more about what it involves please do get in touch and we would happily talk to you.

We hope to hear from you soon!

Coffee Morning

A doubly warm welcome awaited us at Cokesputt when we were greeted by our hosts, Angus and Caroline, and a cheerful fire, which was much appreciated on a chilly showery April day. Very many thanks to them both for their kind hospitality.

The next Coffee Morning will be at **Parklands by kind invitation of Pat Le Page on Wednesday 20th June, at the usual time of 11am** where once again we are all assured of a warm welcome.

All proceeds from the Coffee Mornings go to Church Funds.

If you would like more information about the Coffee Mornings please give me a call on 841828.

Marjorie W

Tea and Bingo Report From May

There were 10 of us this month and a good time was had by all. We missed a few regulars and hope they can make next month.

It was a great pleasure to see Vivien and Edward, with Vivien agreeing to call for us and Edward looking very perky after his stay in hospital. We wish him a speedy recovery.

The next meeting is: **Wed 6th June in the Six Bells at 2.15pm**

Look forward to seeing you all then and don't forget, any queries or if you need a lift phone Marjorie (841110) or Sue (841103).

For your diaries: the next meetings will be 4th July, then 1st Aug depending on holiday commitments. Watch this space!

Sue Derbyshire

POSTPONED

Payhembury Parish Hall Committee AGM

Will now be held in the hall on Wednesday 20th June 2018 at 7.30pm.

All parishioners are welcome.

We are looking for Youth "Action Group " members to have an input into the committee.

Hospiscare and Church celebrate Constance and George

The sale of Constance's paintings raised an amazing £970. The teas and stalls raised £536 for Hospiscare. Caroline, Constance's daughter, wishes to express her family's thanks to all for putting on such an event. We, however, owe the family our thanks for donating so much of Constance's work to be sold in aid of church funds. Caroline also worked hard on the day, creating delightful portraits.

A big thankyou to everyone for helping on the day, to those who made cakes, gave prizes etc. Thanks also to Hospiscare, who worked so hard. Special thanks to those who came to join in and bought paintings. There are a few paintings left, so if anyone could not make the sale and would like to have a look, please contact anyone on the PCC. (The next big project in church is renovation of the windows.)

Christine Thair

Have you looked at your website lately?

If not there are a few things you may have missed. Not only are all issues of the Parish Paper, plus agenda and minutes for each of the Parish Council meetings, minutes of Payhembury Provisions meetings and all school newsletters there, but also all sorts of information:

- Community policing notices which warn of telephone scams, taking care with banking and things like missing persons or requests for anyone witnessing an accident
- All local planning application notices are posted, with the necessary information for you to access the application on the EDDC website
- There are often more pictures and details of events like Party in the Park, the Bulb Show etc because there is more space than in the parish paper
- Current roads closures are advertised and now we are getting information from Feniton too so should know when a road is closed there
- On the "Important information" page there are all sorts of contacts, plus times when you can use the swimming pool and a leaflet about Honiton Ring and Ride

If there is anything else you would like to see on the website and we can do it, then we will! Just use the Contact Us tab at the top of the page.

Keep an eye on it www.payhembury.org.uk

BROADHEMBURY AND DISTRICT GARDENING CLUB

Our May meeting was really well attended by both members and visitors and Anne Swithinbank encouraged us all to grow something different! Hopefully many unusual plants will now be being propagated in Broadhembury and the surrounding areas and we await to see the results.

We were blessed with excellent weather for our annual plant sale which was very successful once again. Our thanks to everyone who contributed in any way.

The annual show will soon be upon us and here is a reminder of the classes. It is a relaxed and friendly occasion and we encourage everyone to enter something.

Schedule of Classes

- A bowl of salad
- An arrangement of cut flowers and foliage
- A bee friendly bunch of flowers
- A garlic or onion plait
- A photo "Down the garden path"
- 3 potatoes
- 3 carrots
- A 9" pot of home-made compost
- A home-made slug trap
- An iced cake including vegetables in the recipe
- A basket of veg
- 5 beans!
- The best begonia (grown from a supplied corm)
- 5 sweet pea stems
- A piece of garden art. This can be in any medium, such as willow, metal, wood, glass etc. as long as it is suitable to withstand the outdoors. It can be purely decorative or have a function too – as long as it looks good and that you have made it yourself.

Our next meeting will be held at **Broadhembury Memorial Hall at 7.30pm on Wednesday June 6th** when Sue Applegate will come and talk to us about Peonies and Irises.

New members and visitors are always most welcome to come and enjoy excellent speakers, tea and cake, a superb raffle and the company of other gardeners. Visitors usually £2, annual membership £10.

Payhembury Tennis Court Update

It is that time of the year again where we wait to see how much sunshine the summer will grace us with, rummaging around in the garage to find if your racquet still has strings and then being inspired to play tennis after watching Konta, Watson, Murray or Edmund!

Maintained single tennis courts in villages are on the decline in England and it is something to celebrate that Payhembury still has a court that is available for all the community to use. The biggest factor towards the maintenance of the court is its proximity to the hedge and the constant weed killing. This is the main reason we charge a small yearly subscription of £30 for a family, £25 for a couple, £15 for an individual and £10 for an U16/Student or OAP. The court is sprayed for weeds about 3 times in the season and the hedge is cut back regularly to stop more incursions. We also get the court sealed every few years and have built up funds to respond to any serious issues that require action.

However it has been a tough few months for the court with the extreme changes in the weather and some damage to the fence. Due to the rain the weeds and hedge are bigger than expected and the perimeter fence has been damaged by someone(s) who have created a hole to enter into the court. This is unfortunately the first significant damage for a few years but should all be fixed soon.

We will still operate a lock and key for the court to avoid further damage. It is really to get access just fill out a membership form (available on the Payhembury website) pay the subscription and contact the chairwoman, Jane Wood, on 01404 841843 to get a key. Existing keyholders will need to pay the annual fee but can retain their current key.

Booking sheets so that you can guarantee a playing time are on the notice board outside the village shop. Fill this in so you have peace of mind and priority over others.

We did not have an annual clear up this year due to the poor weather but we welcome any help from the community in the future. Please keep using this community facility and we look forward to seeing a full booking sheet this summer.

Jane Wood (Chairwoman)
Anne Lush (Treasurer)
Jason Wood (Secretary)

You may remember the message from Josie, my beloved Border terrier, in a recent Parish Paper.

I am very sad to tell you that Josie died on Tuesday 15th May. She was 14, and had been suffering from tummy problems, and, despite excellent veterinary attention, she would not eat. I miss her so much, but she is at peace now.

My grateful thanks to all the lovely people who helped me with walks, and visits to the vet, namely, Mary, Debbie, Linda, Kate, Margaret, Anne, Julie, Sarah and Andrew, Sarah and Brent from Feniton, and Sue from Whimple. Bless you all.

Julie Moore

The University of the Third Age Learn, Laugh, Live'

The Honiton U3A will be meeting on **Wednesday 20th June** when we will be swept away, metaphorically speaking, to the wilds of Dartmoor!

Our speaker is Paul Rendell, who has been a Dartmoor National Park Guide for over 21 years and whose boyhood explorations have provided him with a knowledge of the Moor that few possess.

His talk is entitled 'THE INDUSTRIAL ARCHAEOLOGY OF DARTMOOR' and Paul will be looking at how man has changed the moor by mining and quarrying plus the developments of small industrial enterprises

Venue: The Beehive Centre, Dowell St., Honiton
Doors open 1.30pm for a 2pm start

Members Free and Visitors welcome (suggested donation of £2.00)

Further information: 01404 598008 Website: <http://u3asites.org.uk/honiton>

The W.I.

May Meetings

Imagine it's the Twelfth Night after Christmas, and out of the bitter cold and inky darkness bursts an ancient song, and shots fired into apple tree branches, where sodden toast is placed to attract good spirits.

We didn't actually go awassailing, but we did try the delicious local Courtneys Cider of Whimple, and hear all about how Jill and family revived the old Whiteways Orchard during the past ten years.

By the way, did anyone else go drinking real scrumpy at one and six a pint in the Acorn Inn in Exeter in the 1960s? Answers on a postcard...

In late May we walked among the dusky bluebells on Hembury Fort.

June Meeting June 12th at 7.30pm in Broadhembury Hall

We will hear Matt Faulkner talking about Riverford Organic Farms, wittily entitled "Living Life on the Veg!"

If you'd like to come along and see what goes on at the modern WI, you'd be very welcome. Please contact Julie on 841189 or Angie on 841862.

The locally grown bedding plants we have for sale at the shop are selling fast now that summer's here and we're looking forward to seeing them all blooming in your beautiful hanging baskets and pots throughout the village.

More and more purchases at our shop are paid for with a card or put onto an account so we've listened to your suggestions and have agreed there will be no minimum spend for a contactless card purchase. If you still need that old-fashioned thing called cash we're happy to oblige with cash-back but in that case, you do need to spend a minimum of just £5.

We're all training ourselves to take a bag when we go shopping but there will be times when you go into the shop for a pint of milk and come out struggling to carry all those too good to miss spur of the moment purchases. We're asking for your help in going plastic bag free from now on so if you have any reusable cloth shopping bags that you wouldn't miss we'd love to have them in the shop. Our plan is for customers to be able to borrow them if they get caught short without a bag but then to return them to the shop for others to use. Of course, we'll still have some paper carriers, free of charge, for less bulky purchases.

Finally, have you recently retired? Wondering what to do with your newly acquired spare time? Would you like to volunteer in the village shop? Ok Marty we're looking at you here! We will miss your cheery face in the shop every day and even if you don't volunteer we really hope you'll pop in whenever you're in the village for a chat and a cuppa. Up the Clarets!

Mary Whiting

Nature Notes - Observations from May 2018

Hello again,

We've been enjoying lovely Spring weather recently, haven't we?

So sunny that a green woodpecker has been attracted into our garden. He quarters the lawns, looking for ants. There are plenty about, even in the house.

I understand that there has been a cuckoo, at Yellingham - Janet has heard it calling. Lucky her!

The birds in the garden seem to be fewer than a month or so ago. They must be busy nesting and raising young. We see a few goldfinches, robins, dunnocks and a pair of greenfinches.

One day, a young sparrow hawk flew in, and scattered everything.

Alan Jones, 841671, baroda.jones@btinternet.com

Greetings from the SUNNY Tale Millers Cricket ground, never thought I'd be saying that ever again just a few weeks ago! Fittingly the season started on a damp chilly evening with a home game against the Broadclyst Pins. Due to the erratic nature of our scoring, I'm not completely convinced by the accuracy of my report but the Oppo batted first and posted a strong 112-8 with wickets for Steve Clegg, Jason Wood, and Neil Chambers. Will Wood will no doubt correct me if he feels hard done by. In response, we fell just short as the night drew in despite some good knocks from Mark "The Hammer" Hammett, Postie (no, he's never been a post man) and Kittow Jnr (not as in very Junior Chester but as in Oli). Lost by three runs. Fortunately, social member, Ian Scott then appeared in time to tow Oli's van out of the mud, just one of the many benefits of Social Membership.....just TEN POUNDS for the entire summer!

Next up we entertained the coolly named Blacksmiths and Artizans, on another damp and chilly night, this time our fortunes improved to come away with a six wicket win, runs for Oli (who parked away from the wet spot), Jason Wood and Postie again and wickets for Jason, Will Wood, and Neil Chambers. B and A 83-8, Millers 85-4. We then journeyed to County Hall in Exeter on a lovely sunny evening to take on the appropriately named Sunsets and with runs from debutants Barry Fulls and Sam Page and wickets for Neil Chambers and The Hammer Hammett came away victorious by nine wickets and with some very tasty pasties to feast on afterwards. We are always keen to welcome new players (and Umpires/Scorers) of whatever level and age from 13 upwards, just email me stay@tuckmill.co.uk if you'd like to get involved.

For our full fixture list visit www.payhembury.org.uk

Hope to see you down at the club in June, the first game of the month is on Sunday 3rd at 2.00pm, bar open, children and well-behaved dogs welcome!

Jon Carden

Welcome to Payhembury to Eva and her parents John and Wendy who along with their horses, dog and cat, have moved into Victoria Dairy Farm from Wiltshire and Lyme Regis. They have had a tricky time with lots of house renovation going on through all the worst of the rain, snow and ice of last winter but we hope they will now be all set to enjoy a lovely Devon summer.

The Studio Hair & Beauty would like to welcome Nikki to the hairdressing team, Nikki trained with Ruth and has over 25 years experience, Nikki is competent in all aspects of hairdressing and will be in the salon every Wednesday afternoon.

Telephone: 01404 841499 to book an appointment.

News from the Hall...

The Hall in Payhembury is a fantastic community asset which is available for all residents in the Parish. It's origins are in the former 'Memorial Hall', built for the community on land generously donated by the Leach family. The old building came to the end of its life and so the land that it stood on was traded for the land and the build of the new Hall. The new Hall is a modern building built to last, and commissioned in 2008 - a challenging and fantastically well-managed project by the then Committee - Louise Granger, Alan Jones, Di Somers, Fred Worman, Sally & Alf Boom, Sandra Ford, Robin Stanes, Bill Garvey and Rob Holman.

The Hall has always been run by volunteers (Trustees of the Hall, which is a registered charity) on behalf, and for the benefit, of the Hall 'members'... if you're reading this you are almost certainly a 'member' as the Hall is there to be an asset, facility, and community hub, for all the residents of the Parish. The Hall finances have always been managed prudently and sustainably, with no reliance on outside funding - a good strategy as there is rarely any available these days. The present Hall Committee (named below) are aiming to carry on the good work of the Committee that organised the building that we have today.

Relatively recently, the Hall was fitted with solar PV panels, giving renewable energy and a significant source of year-round income which benefits everyone in the community by helping keep hire costs low. We are looking into further investment into renewable and sustainable technologies to ensure that we are dependent on fossil fuels and their price variations as little as possible - this may soon include a rainwater harvesting system to cut down on water bills.

Most of all though, we want to increase usage of the Hall by people that live in (and outside) the Parish - for all ages and events that promote community spirit, participation or simply the wellbeing of individuals, families and groups. At the moment it is regularly used for Pilates classes, short mat bowls (Wednesday evening), and has facilities and court markings for badminton, along with table tennis table, bench seating, a bouncy castle, and a beautiful indoor canopy donated by Di and John Somers. The Hall is also used regularly by the school, youth and church groups, and annually for village events such as the Spring Bulb Show (of course), May Day, and the school Xmas bash, and is occasionally used for weddings, parties (for children big and small), music events, and other gatherings for clubs and societies generally.

The Committee is embarking on a range of initiatives to get more people involved using this fantastic facility to both improve the Hall, and encourage wider participation and use, bringing the community together more often. We have made a start by repainting the inside of the building last year and, more recently, replacing the old Hall sign - we decided to go with 'Village Hall' as the Committee unanimously agreed that the word 'village' sounded more welcoming and friendly than 'Parish' - of course, the Hall remains a facility for everyone in the Parish. Later this year our action plan includes:

- improving the look of the interior small 'welcome' room, and the outside/front of the building;
- the fitting of phone line and broadband (aimed at occasional business use and emergencies, rather than standing around looking at phone screens :)

- launching a Hall website (June) and marketing and event information, to help people know what is going on, not just in the Hall, but also elsewhere in the village and the region; and,

bringing more music, and maybe the cinema and arts events (and anything else interesting) into the village.

The rationale for the above is to get more use and participation while increasing the income of the Hall, towards continuous improvement and assured sustainability. We are looking for people with ideas to work with the Committee, especially young people, or any groups who would like to see more going on for them or others. For this we will need more involvement, ideas, energy, and maybe even financial donations or

pledges, from people who want to see this great facility be even better. Please get in touch if you want to be part of it and make our Hall more action-packed and more beautiful!

WW1 - The War To End All War

From Sarajevo until Versailles
Pachendale Ypres and the Somme pass
by

Lord Kitchener's face up on the wall
For King and Country is the call

I need Men like you and a million
more

To fight the war to end all war
The Cousins Royal stand toe to toe
Carving up Europe their empires to
grow

Armies gather but where will they end
Dig those trenches your line to defend

They need men like you and a million
more

To fight the war to end all war
Armies gather and peace disappears
Drowned in a flood of worldwide tears
This brutal war will now begin

Incessant pounding perpetual din
And they need men like you and a
million more

To fight this war to end all war

Over the top and into the fire
No mans land all muck and mire
Hell is a hole in the Flanders mud
The fields now yield nothing but blood
But they need men like you and a
million more

To fight the war to end all war
Eleven Eleven Nineteen Eighteen
The end of the bloodiest war yet seen
Husbands Fathers Sons and Brothers
Leave weeping their Wives and Mothers

Men like you and a million more
Died in the war to end all war
In towns and villages memorials appear
A Remembrance Service held each year
No more to hear we hope and pray
Those awful words that Armies say
We need men like you and a million
more

To fight the war to end all war

Payhembury Weather

www.payhembury-weather.co.uk

Rainfall: April was a wet month with several days of more than 10mm rain at the start of the month keeping the fields very soggy. May has been much drier so far.

Temperatures: For most of April it was an average month but between 19th and 21st April there was a record breaking heatwave for April with maximum temperatures reaching over 25 degC. It didn't last long and by 22nd April the temperature was back below 20 degC.

Weather elsewhere: At least 95 people were killed and dozens more injured in a violent sand storm that hit Uttar Pradesh and Rajasthan states in northern India. The storm occurred on 5th May disrupted electricity, uprooted trees, destroyed houses and killed livestock. Many died while asleep when their home collapsed.

The Vale Veterinary Group Parvovirus update

**LOCAL VETS URGE DOG OWNERS TO CHECK THAT THEIR PET'S
VACCINATION IS UP TO DATE**

Following a recent case of Parvovirus, the vets at The Vale Veterinary Group are raising awareness of the importance of pet vaccination for dogs. In an attempt to prevent further cases of the disease, all owners are being asked to check their vaccination records; if they believe that their dogs may not be currently covered they should contact their veterinary practice.

Vet Alan Benson explains "Parvovirus is usually spread by environmental contamination with dog faeces. There does not need to be direct dog to dog contact and it can be brought into the household on shoes. Unprotected dogs, especially the young, develop severe vomiting and bloody diarrhoea, and in most cases, despite the best veterinary care, the dog cannot be saved." Alan continues, "The distress to the dog and their owners is obvious. Unfortunately there are still a large number of dogs which have never been vaccinated or whose vaccinations have lapsed, making them vulnerable to infection. We believe that preventive care including regular vaccinations and health checks are the best way an owner can actively help their pet's long-term health".
