

THE PARISH PAPER

St. Mary the Virgin, Payhembury

AUGUST 2013
Vol 46 No 2

Team Rev Cate Edmonds, The Rectory, Station Rd, Feniton
Vicar: (851401)

Church: Mrs Babs Leach, 3 Lower Mews, Payhembury (841409)

Wardens: Mr Jim Kimber, 1 Barrow Road, Payhembury (841320)

Sexton: Mr Clive Jones, 11 Markers Park, Payhembury (841685)

ST MARY'S PARISH CHURCH PAYHEMBURY

Dear Friends,

As I sit here writing this letter we are still in the middle of our heat wave, wonderful though the sunshine may be I know people are feeling somewhat overcome by the intense heat, it fills up conversations continually.

rain water will refresh the grass and revive it from its dried up state, the drooping vegetation will perk up and growth will continue. Then no

doubt we will be moaning about too much rain, but hush let's not think about that.

It is amazing as we drive around our lovely lanes how the hedgerows have changed from the wonderful deep green punctuated with the white and pinks of hedgerow flower to rather pale tired looking hedges, particularly where they have been cut back. The fields are starting to turn yellow, good for our farmers, but our lawns are looking rather sad, large yellow patches are appearing and even the daisies, I have a lot of those, seem to be shorter and struggling a bit.

However, we know that with our climate this usually doesn't last long, if it is still the case when you read this then that is unusual.

I am amazed and I supposed thrilled by the fact that as soon as the rain falls the grass will once again turn green and the daisies will be as vigorous as ever. The

Looking at the parched grass and then knowing that it will revive set me thinking about my faith. At times I can feel parched, dried up, listless, but the remembrance of God's love for me through thick and thin, is like cool refreshing rain and lifts me up. That love is not just for me it is for everyone and is brought to all of us by God's Son Jesus Christ and is freely available, we just have to open up to it. That love, gives us the energy to continue on life's path and is not seasonal like our weather, we don't just need to remember it at Christmas or at a wedding, when we hear it talked about. So when we are feeling dried up remember be like the grass and turn from yellow to green as we stop and receive God's special love for each and every one of us.

Every blessing, *Cate*

"Posh" Afternoon Tea

Fifty people attended the tea in the Parish Hall and I think everyone enjoyed themselves and certainly didn't go home hungry!

Thank you to everyone who supported the event, in aid of the church, and a big thank you to all the ladies and gentlemen who worked very hard to prepare it all—Well Done!

£340.00 was raised, which was excellent

Babs Leach

COMMENT ON OUR SHOP RECEIVED VIA
PAYHEMBURY WEBSITE

Hello

Visited Payhembury today and just had to comment on what a fantastic little shop Payhembury Provisions is. Has to be the best village shop I have seen - wish you very best luck with the community shop in the future and will definitely recommend it to friends.

Excellent news for those who work so hard in the shop! Well done

COFFEE MORNING

Such a shame Alan and I missed the Coffee Morning in June as we were away on holiday. I hear it was a lovely day, well attended and thoroughly enjoyed. Our thanks go to Louise and Ray for their kind hospitality.

The next Coffee Morning will be held on **Wednesday 28th August** by kind invitation of Fred and Beryl Worman at "Court Baron" Cheriton at the usual time of 11.00am, where once again everyone can be assured if a warm welcome.

Thanks to our generous hosts, all contributions from the Coffee Mornings go to Church funds, for which we wholeheartedly thank them and those who support us throughout the year.

For more information about the Coffee Mornings, or if you would like a lift, please give me a ring on 841838. We are always delighted to see new faces along with our loyal group, so do come along for a friendly get-together.

Marjorie Wright

CUP OF TEA AND BINGO

Our next get-together will be on

Wednesday 7th August 2013
In the Parish Hall from 2.15 p.m.

Do join us for a couple of hours in good company with a nice cuppa and home made cake after you've played a few games of Bingo and perhaps won a small prize. All for £2 – what a bargain!

See you.....Louise

CLOSURE OF ROAD AT UGGATON CROSS

If you have found this closure affects you in any way, do have a look at the Parish Council notes on page 12 and email, phone or write to them with your comments. We need to let the County Council know how we feel.

Apple Pips News

What a fantastic year we have had at Apple Pips. We have seen a steady rise in our numbers and we now regularly welcome over 20 toddlers (and their carers) a week to our Monday morning sessions! We have had loads of fun this year including: making a Daffodil Display for the Spring Bulb Show, weekly craft activities (thank you Alex), singing with Becky, lots of cake sales and a lovely teddy bears picnic which we were able to hold on the school field. We are rounding off the year with a walk and picnic around Haldon Forest - hopefully the sunny weather will have continued to be kind to us!

We would like to say a big thank you to Jim and George Kimber for their generous donations to our funds following their bike ride and to all the families that continue to support us and help to make Apple Pips a great place to come and play and make new friends.

Enjoy the summer

PAYHEMBURY PRIMARY SCHOOL

There were several school trips after half term: Willow Class went to Plymouth Aquarium and Ash and Oak Class went on the steam train from Paignton and a boat trip. Everyone had lots of fun.

A big highlight in June was the Year 4, 5 and 6 residential trip to Hooke Court, what a great success!!! Despite a distinct lack of sleep on the first night for everyone, the children had a fantastic time embracing a range of outdoor activities from kayaking to a search and rescue activity. For many children this was their first time away; they all coped brilliantly and have been great ambassadors for the school.

We had a really great day at Sports day in June. As usual the children were super and we had lots of new records broken in most of the events. Sports day is all about the children; everyone took part and really tried their very best. The children behaved impeccably and it was a relief to see the rain stay away. Red family group won the Sports Day cup with 701 points, Yellow family group came second with 563 points followed closely behind by Green family group with 503 points.

Also in June Year 6 went to the Donkey Sanctuary to participate in the county run **Life Skills programme. It's a whistle stop carousel of activities which focus on raising the children's personal awareness on health and safety. It looks at traffic/road safety, beach and sea safety, washing hands and keeping clean, fire awareness in the home, Internet safety and building/construction safety.** All the agencies involved give 15 minute interactive workshops for the children. The finale is always a demonstration of a chip pan fire by the fire Brigade. As you can imagine it is a fairly explosive and hard hitting show but the children are enthralled by what they learn through the demonstration.

The children have learnt the songs for the end of year service in Church and it was beautiful. The end of year service is always quite emotional as the children prepare to say goodbye to the Year 6 children moving to Kings. Year 6 had their transition week at Kings in July, as well as the year 6 transition conference for the church schools. Tipton St. John and Feniton School came to our village Hall to take part in a joint afternoon of activities. **The focus was to prepare children for Kings which isn't a church school.**

It was very successful and Rev. Cate thoroughly enjoys running it. Congratulations to Year 6 for achieving such wonderful SATs results. 100% achieved

level 4 or above in Maths and reading and 90% in writing. We have also welcomed into school this half term our new reception children, who will be joining us in September. Hopefully, this will help a smooth transition for both children and parents and we look forward to having them in school.

Future Dates

9th September	First day of Autumn Term
28th October to 1st Nov	Half Term
20th December	Last day of Term
6th January	First day of Spring Term
17th—21st February	Half Term
4th April	Last day of Term
22nd April	First day of Summer Term
26th—30th May	Half Term
2nd & 3rd June	Non pupil days
24th July	Last day of Term

The school is always at church on Thursday mornings (9.15am) so anyone is welcome to come along and join us.

We would also welcome any volunteers who might like to help in school. We are always very grateful for any assistance

THE WEDNESDAY CLUB

At last we had a proper summer's day for our garden meeting. It was lovely in Louise and Ray's garden. A pity only a few members joined us – just nine – but with our four guests we greatly enjoyed the scrumptious tea made and prepared for us by Louise, Beryl and Pat. Thank you very much indeed ladies –personally, I thoroughly enjoy my “afternoon off”.

Our next meeting will be on

Wednesday 14th August 2013, In the Parish Hall from 2.30 pm

This will be a social meeting We hope to see a few more members but would be very pleased to welcome anyone who would care to join us.

See you on the 14thJoy Morgan

CHURCHYARD CLEANUP

This will be on Saturday 17th August and although the grass is not growing as fast now, it still needs a trim and tidy up.

Please come along to help for 2 hours if you can from 10.00am. We have a wedding in September, so we want it to look good!

Babs Leach

GIRLS' NIGHT OUT

This will be on Tuesday 20th August from 7.30pm in the Six Bells.

I know some people will be away on holiday, but there are always

others here who will be

glad of a good chat!

Babs

PAYHEMBURY TENNIS CLUB

We held our 4th annual mixed doubles tournament yesterday, although I had thought it was the third (oops!), and managed to play three or four matches each in the blistering heat.

We now have two new winners, Sue Holmes won the ladies trophy **and Jason Wood won the men's, so congratulations and very well done to them both.**

I would like to thank everyone for coming and making it a successful day; also thank you to Jamie for letting us use the pub toilets. A big thank you too, goes to Anne Lush, who cut up what seemed like a mountain of strawberries, to Caroline Bentley for sorting out the rolls, and Peter Bentley for cooking over 100 sausages. Finally thanks to Jason for organising the whole tournament. Here's to the next one...

CLARET'S CORNER

by our postie Marty

It's August which means that the 2013-14 football season starts, with our first fixture at home to BOLTON WANDERERS on the 3rd. If you are lucky enough to have SKY TV it will be broadcast live at midday.

How did you cope with the recent HEATWAVE? I can assure you it was hard work delivering your mail but I'm not going to moan because as you know It's a long winter!

WELL DONE!! to all the children who took part in PAYHEMBURY'S GOT TALENT, they were brilliant! It took a lot of courage to perform in front of all those people.

See you around the village and UP THE CLARETS! MARTY.

Nature Notes
Observations from June & July

Hello again

barnacle geese, with their goslings. Like the fieldfares, they also breed in northern climes.

In early June, the lanes around here were beautiful. Lots of wild flowers, swallows skimming, wagtails wagging and small trout in the Tale. A green woodpecker in our garden, and slow worms in the compost heap---several of them. They look like small snakes, but they are actually legless lizards. I think they have their babies in the compost! We saw one on our patio sunning itself. Or, had it been dropped there by a large bird?

Gatekeeper butterfly

Firstly, my apologies for missing last month's Paper! My excuse is that we've been away on holiday. In Sweden, we saw a lot of fieldfares with their young. You will know that these are the birds which come here in the Winter in great numbers, to escape the ice and snow of Scandinavia. We also came across many

In early July, the local lanes were still lovely, with plenty of wild roses and honeysuckle in the hedgerows. More butterflies now, including meadow browns and gatekeepers. The trout in the Tale are now growing. Lots of young birds about, particularly goldfinches and blackbirds, who have eaten the early raspberries---such is life! This morning, I saw a spotted flycatcher in the oaks. Leonard tells me there are swifts flying round the church tower. They won't be here

for much longer, as they are the first birds to return to their Winter homes in Africa.

Payhembury Parish Council

Notes from the Parish Council Meeting held Wed 10th July 2013

(Subject to approval at next meeting)

Public Session: Several members of the Parish were in attendance to discuss the road closure at Uggaton Cross. An e-mail from Richard Hosgood, DCC Highways confirmed that the road repairs from Uggaton Cross to Broadleaze Cross would not take place before July 2014 due to budget limitations, and the road would remain closed until this time. It was strongly felt that Broadleaze Cross is the safest outlet onto the A373, thus motorists now having to use more dangerous crossroads onto the busy road.

Correspondence was read out confirming that Natural England believe the badger setts to be no longer in use, so this does not dictate any work scheduling.

Cllr Diviani took the correspondence and photos and agreed to speed up the debate regarding this issue.

Parishioners were encouraged to write to the Parish Council with their thoughts on the issue, and to detail how the road closure affects their day to day life and business. The Council will collate all correspondence and pass onto Cllr Diviani, along with a covering letter supporting the need to press on with repairs based on the safety issue.

Further business during the public session included the problem with the T Junction in the village by Waterloo Plot due to an overgrown shrub on the junction and to inappropriate parking. Clerk to contact PC Anning and request he attend the village at busy school times to assess the danger. Clerk to write to residents regarding overgrown shrub.

District Councillor's Report: the possible re-location of the EDDC offices from Knowle, Sidmouth was discussed. Cllr Fowler asked the timescales of the draft local plan. The Inspectorate will look at it from October.

Matters Arising: *Cardboard Crusher:* Cllr Skinner proposed that he and Cllr Disney meet with Cllr Chubb, EDDC Environment Portfolio Holder, and then meet with Sita (waste management company).

Parishes Together Funding: Grab boxes progressing slowly. The fund will be available again next year, so the Council should consider options for spend.

Active Villages: an update confirmed that equipment had been provided to the youth club and the tennis club. There are still funds available to provide adult equipment, so suggestions welcome.

Tree Cutting: Home owners do not require planning permission in order to cut down trees unless the tree in question has a preservation order on it.

Planning:

App number	Property	Details	Decision
12/2652/VAR	Tale House Fm	Change to work floor space	Withdrawn
12/2581/FUL	Colestocks Farm	Conversion farm buildings to 6 new dwellings	Approval + cons
13/0349/FUL	Fourways Cott	2 storey front extension	Approval
13/0708/FUL	Dawn Cottage	Alteration to garage roof	Approval
13/0905/FUL	Upton Ley Farm	New conservatory extension	Approval
13/1035/FUL	Spence Cross Farm	Proposed cove to existing silage clamp	Approval + cons
DCC/3522/2013	Payhembury Primary School	Repair windows, doors, maintenance roof	Awaiting determination
DCC/3521/2013	Payhembury Primary School	Re-roof pitched roofs	Awaiting determination
13/1227/VAR	Barns 1/2 Tale House Fm	Variation of condition to reduce working & increase living areas	Pending consideration
13/0743/FUL	Colestocks Cottage	Renovation of outbuilding to form a granny annexe.	Pending consideration
13/1126/FUL	Land adj to Parish Hall	Installation of solar panels on roof	Pending consideration

An e-mail was read out from a Parishioner regarding App. 13/1227/VAR. Cllrs discussed the case again, but concluded that their original support for the application should stand.

Finances: Bank balance as at 28th June 2013: £3,385.81

PC Assets register: Cllr Williams reported that most of the assets were in good order. However, the chains around the green need some attention and to be added to the **PC's Asset list**. **Also, the wall on the green is in need of repair.** **Waterloo Plot** is overgrown. Cllr Disney to contact 2 contractors with regard to the work required on the plot.

Telephone Box: A quote of £600 had been received to repair the telephone box. Clerk to obtain another quote to compare. It was agreed to go ahead with the disconnection of electricity to the telephone box.

THE FULL DRAFT MINUTES OF THE MEETING CAN BE SEEN ON THE PAYHEMBURY WEBSITE

Apple Pips Toddler Group AGM
 Wednesday 18th September 2013, 8.00 pm
 Six Bells Pub, Payhembury

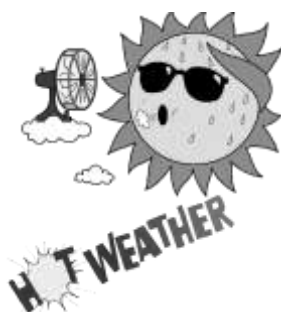

Rainfall: June and so far most of July have seen well below average rainfall with water butts empty and ponds drying out. This is in contrast to early July last year when we experienced torrential rain and landslips. As I write this no rain is forecast for another week.

Temperatures: June and particularly July have been well above average temperature. On 13 July we experienced the highest temperatures I have recorded in Payhembury since records began in 2007 and more high temperatures are forecast. On 18th July the Met Office issued a level 3 heatwave warning for the southwest which alerts healthcare services to monitor high risk groups. This year the jet stream is further north allowing prolonged high pressure over the British Isles.

Weather elsewhere: England is not the only country experiencing a heatwave, Japan has also recently had record temperatures up to 39 degC and some areas of the US have heat advisories in force. In contrast there have been devastating floods in Nepal and north-west India and bizarrely these countries don't exchange hydrological data so Nepal had no warning of the flood waters from India.

Dear Friends,

Ooooh it's been so hot, we mice have been having fun in the sun, but Mum has made us put on sun-hats and rub sun cream into our ears. You see our pretty pink ears **don't have much fur and they burn** very easily. We could do with some on our feet as well, the church roof has been so hot and as for the metal drainpipes we climb up , well **they are too hot to climb, so we've**

had to spend a lot of time in the graveyard. We quite like that as if we climb onto **the wall and sit in the shade of the ivy we can see all that's going on in the village.** Lots of happy, hot faces particularly after the tennis tournament and Party in the Park.

It's been a bit quiet in church apart from Sundays and Play and Praise, we love that as we get so many crumbs! Rev Cate disappointed us by taking the School service in the Wildlife area on one Thursday so we missed the children's lovely singing. **I was a bit naughty and when Mum wasn't looking I crept up the road into the** playing field and watched their service, it was a bit different and the children sang without any music which was fantastic, it all looked great fun. Mum found out when I got back and so I was told off, but I told her I was careful crossing the road and avoiding the cats! I did meet up with a couple of my friends the field mice, they were very friendly and they said how much they enjoyed having the children in the area but **hadn't heard them sing before, they were really impressed.** **Well I must go now and find a nice cool drink, I hope Parchina hasn't drunk it all,** squeaks, Parchie

Honiton Art Society Annual Exhibition
The Mackarness Hall, High Street, Honiton

From Sept.4th to Sept.14th
Daily 10.30am to 4.30pm.

PROPOSED CYCLEWAY BETWEEN FENITON & OTTERY ST MARY

Have you read anything about a proposed cycle path between Feniton and Ottery St Mary? If not, read the article below and if you think it is a good idea – SIGN UP TO SHOW YOUR SUPPORT!

An online petition has been launched to support the appeal for the proposed Otter Valley cycleway between Feniton and Ottery St Mary. It is hoped that eventually a cycleway can be established along the disused railway line between Feniton and Sidmouth via Ottery St Mary and Tipton St John.

Ottery St Mary councillors Roger Giles and Claire Wright are driving the initiative with support from the King's School, particularly teachers Jo Elliott and Jason Wood.

To sign the petition or find out more, details can be found on www.ottertrail.org
If you know someone who does not have access to the internet, but might be interested, tell them they can contact Ottery St Mary Town Council for further information or write to them at:
