## Message from the Headteacher

Dear Parents

Every class is busy learning their songs and their lines ready for the production next Thursday. It is a historical musical with each class across the federation taking one period of history to sing about. Some teachers have asked the children to wear or bring something specific to their scene but don't worry if you haven't heard anything from your teachers as they are all doing something completely different. I am listening to them as I type and they sound incredible; I hope you are coming along. The second round of tickets will be coming out today. We have spares so please let us know if you need more. A separate letter explaining the itinerary of the day will be coming home today and it will list what the children need on the day and for the performances.

Can I ask that you check your child's head this weekend as we have had a number of cases of head lice. They can spread very quickly if not checked. A comb with conditioner is all that is required to give the head a thorough inspection.

On Wednesday year 6 went to life skills at the donkey Sanctuary and as usual the lighting of the chip pan was the best part.

Year 1 and 2 went to Kings for a multi skills event on Monday afternoon. It wasn't a tournament but a mixture of different sporting skills were practiced.

Next week we are hosting the Year 6 Church School Transition Conference. Rev. Cate leads a great afternoon of activities for children to consider moving into their new secondary school and how our Christian values will help them in school.

On Tuesday children from Awliscombe will be coming to spend the day with us. We will practice for the musical.

On Friday The Kings drama group will be performing to Oak class, thinking about transition for the Year 6. This was due to happen this week but unfortunately it had to be re-scheduled.

Finally teachers are busy finishing the children's reports. We aim to send them home next Friday.

Have a lovely weekend.

With regards,

Penny Hammett

### Early Years Funding

We have received an update with regards to Early Years funding and the roll out of the 30 hour entitlement. To receive the extended entitlement funding in September parents will have needed to apply directly to HMRC and be in receipt of the 11 digit code as soon as possible to allow the school to have registered all codes by 31<sup>st</sup> August 2017.

In order to do this you will need to carry out the following;

- Visit [www.childcare-support.tax.service.gov.uk](http://www.childcare-support.tax.service.gov.uk)
- Follow on-line instructions to register as a Gateway user – for this you will need proof of identity for which you can use passport details, payslip information or tax credit information.
- Once in receipt of your username for Gateway you will then be able to register your interest in the extended entitlement.

- You will then need to wait to receive an e-mail notification as to whether your request has been successful and a code will be issued
- This code will need to be given to the school office as soon as possible to allow for validation through Devon County Council by the date of 31<sup>st</sup> August 2017

Any codes not validated by 31<sup>st</sup> August 2017 will not be funded until January 2018.

With this in mind, please can I ask all parents to register at your earliest convenience and ensure that you have submitted the relevant codes to the school office by no later than Friday 14<sup>th</sup> July 2017. Should you have any problems or require any assistance please do not hesitate to speak to Vanessa Jarrett as she will be more than happy to help having completed the process already.

Mrs George

## Governors

In my role as Teaching and Learning Governor, I was extremely privileged to be invited to sit on the interviewing panel at Payhembury School last half term. I was also involved with the pupil interviews of all four candidates and was so very impressed with the children – the questions they asked and the mature manner in which they conducted the interviews. It was a real pleasure to sit in and support them.

In May I was involved in the Y5 Prayer Spaces Day at Ottery St Mary Church with Rev Cate and her team, and was so very impressed with the high standard of behaviour and level of engagement in the activities of all the children involved in the day. Again it was an absolute privilege to be part of such a wonderful activity.

During our Teaching and Learning meetings this term we have been kept abreast of all the statutory assessments that have been carried out in both schools, with monitoring visits carried out to see how the assessments are undertaken, how the children are supported through the process and seeing that all statutory requirements are met. We are currently involved in monitoring the outcomes of the assessments against targets and evaluating standards. All good fun!

Pat Fowler  
Teaching & Learning Governor
