Message from the Headteacher

Dear Parent/Guardian,

Our Year 3 and Year 4 pupils were able to take part in bikeability this week. It's been great to see the funding extended to include more children. At this initial stage the children just stay on the playground, developing their road traffic awareness. Once in Year 5 and 6 they move out onto the main roads.

The flu inoculations, which were cancelled last month, will now be carried out on Monday for Year 1-3 children who requested it. They are carried out by Boots on behalf of the NHS.

Next week we have something planned everyday apart from Tuesday. On Monday we have the end of term class parties so don't forget to bring your favourite party clothes/accessories to change into in the afternoon. On Wednesday we are going to the theatre with Awliscombe school to watch 'Ernie and the sea of ice' at the Phoenix Theatre in Exeter, followed by Christmas lunch when we return. On Thursday 15th December it is our special Christmas service in the Church. It will begin at 5.30pm and we will sing carols together and watch a nativity from the children. Please come along and bring family and friends too. And finally on Friday, the last day of term, it is Christmas Jumper Day so don't forget to wear your Christmas Jumper! All donations will go towards Save the Children. There will be a star of the term assembly for parents in the village hall at 2.30pm that afternoon and everyone is welcome.

I hope you all have a relaxing weekend, I know the children are flagging now and need their holiday but we have one last fun packed week ahead.

Have a lovely weekend.

With best wishes,

Mrs Hammett

Governors

This half term seems to have been a busy one for governors' meetings, or perhaps it's just the last couple of weeks!

The Full Governing Body met on 30 November in Payhembury with in depth discussions on performance across the federation, an update on the planned building work at Payhembury, generic planning and preparation needed prior to OFSTED inspection, and updates on the school websites.

I also sit on the Teaching & Learning, and the Pay & Performance Committees both of which have also met in the past couple of weeks. Sam Pollard and I have been working together on a plan of action rising from the T&L committee to revitalise the two school websites and create a new Federation website – hopefully these should be active by the New Year. The P&P committee has the job of confirming the annual pay awards for staff, which having followed the due processes, we were happy to do. It's fulfilling to see the amount of work that goes in from staff and students across both schools, and satisfying as governors to be able to volunteer our time towards making sure that our Federation offers fantastic environments in which our children can grow together.

News From St. Mary's Church Payhembury

On Sunday there will be CAFÉ Service in the Parish Hall at 10;30 but do come earlier for coffee, croissant and a chat. Exciting Christmas activities for the children.

A thought:

Just as a sunbeam can't separate itself from the sun, and a wave can't separate itself from the ocean, we can't separate ourselves from one another. We are all part of a vast sea of love, one indivisible divine mind.
