## **Captains report.**

A successful season, felt a bit lacklustre after the Mid season weather. A lot of work was put into the pitch, thanks to Groundstaff. Young lads coming on well. Docs catching improving.  
Hopefully everyone understands the sharing out of games and batting order/ bowling ( even Roland).  
Overall pleased with the way the season went.

## **Chairs report.**

The most challenging year. Weather and morale. Machinery initially wasn't good enough. 9 matches called off. Played 19. Won 11 lost 6 ish.  
Building the toilet block was an amazing achievement. It's made life easier. Ironically we haven't got the full benefit from the toilet block due to the weather/ lack of parties. Good to see the youngsters achieving. Great thanks to Ed for providing great food. Thanks to Fred, Rog and Paolo (when I can get hold of him). Thanks Mark and JP for looking at the planning issue.

## **Treasurer report**

Thanks to Tony Treen for collecting subs.  
Fred presented the accounts- see separate report.  
All agreed Mayday is not an event that we would want to run a bar at in the near future.  
The main future commitment is the mower bill.  
A round of applause for Fred's report.
