

# THE BLACKDOWN HILLS TRUST

The Blackdown Hills Trust is looking for local volunteers to help check stock fencing around the grazing units in the Neroche Forest area. These sites are managed by the Blackdown Hills Trust in the Blackdown Forest for grazing conservation : they are a magnet for rare butterflies such as Wood White and Duke of Burgundy and an array of plants, insects, birds and mammals. The areas are part of a Higher Level Stewardship and are grazed by English Longhorn cattle in the summer months.

Duke of Burgundy and Wood White butterflies, just some of the species your work would help conserve.

## What will the volunteer role involve?

The role will involve walking the stock fence twice a year during the spring and autumn in the grazing compartments to check for any rotten posts or damage to the wire, and reporting back to the Trust. There may also be opportunities to get involved in practical conservation work, for example clearing conifer re-growth to allow native flora to thrive.

Full training will be provided for the role, including maps of the sites, appropriate contact information and information on what to look out for.
