## Payhembury schools

Welcome to Payhembury, we're a small but perfectly formed East Devon village with a shop, a pub, an active parish hall and a highly regarded primary school.

Moving to a new area, and getting to know 'the locals', can be daunting (we know this as over the years a lot of us have been 'blow-ins' from other counties) which is why we wanted to collectively say "hello, and welcome", give you a flavor of what's happening in your new village and provide you with the lowdown on what Payhembury has to offer, as well as giving you some useful information to help you settle in.

Payhembury is a great place to live, we love it here; there's always something going on, and with Exeter and several beaches just 30 minutes away it really is a great location. And most importantly we're a friendly bunch who love welcoming new faces.

We hope you love it here as much as we do.

## Fit for all

Clubs and activities: there's so much going on in the village from sporting activities such as cricket, tennis, swimming and pilates, through to church activities, short mat bowling and bingo.

There's even a beauty salon, hairdresser and somewhere to get your car repaired in the village centre - we might be small but we're really well equipped!

Details of the clubs, activities and services can be found on the Payhembury website: [www.payhembury.org.uk](http://www.payhembury.org.uk) or in the monthly Parish Paper.

The nearest gyms can be found in Honiton, Ottery St Mary and Cullompton. LED Leisure in Honiton and Ottery offer a range of fitness classes, swimming and tennis as part of your membership.

## The Parish Paper

We have our own monthly Parish Paper which is distributed at the beginning of each month. As well as reporting on what's going on, it also provides dates for the diary and adverts for local trades and services.

### Recycling and landfill waste collection

There is a weekly recycling collection. Details of when your collection take place can be found at: <http://eastdevon.gov.uk/recycling-and-rubbish/>

Landfill waste is collected every three weeks. Full details of what you can and cannot recycle are listed at:
