ST MARY'S PARISH CHURCH

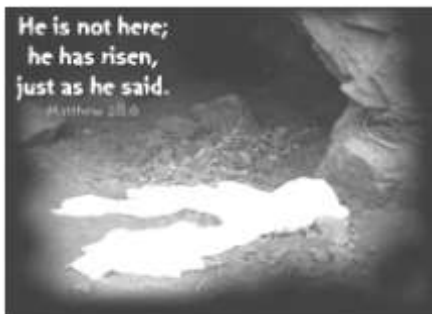

PAYHEMBURY

Dear Friends,

How great it has been to see the sun, it really has lit up the countryside and made us feel that spring has sprung and summer is on its way. (I do hope that by the time you read this it's still the case) It is amazing how bright sunlight lifts the spirit, makes us feel new again.

That of course is what Easter is all about, new birth, bright light. When we light the fire on top of the hill in Feniton on Easter Day, we are welcoming the new day and reminding ourselves of the bright light of Jesus coming back from the darkness of death. Coming, in fact, to bring God's love directly to us, so that never again will we be separated from God's love. It is always a wonderful occasion and a very special time on the hill even if the weather is poor.

Many of us do not experience sunrise that often but it is very moving and truly amazing to see the countryside come to life again, the birds fill the air with their song (too much some mornings outside my bedroom window) and the spring flowers lift their heads to the light. Even people

seem to lift up their faces to the light.

Light is so important for us to flourish, it is unimaginable to think of a world without light, we also need the light of Christ, that light which shone out of the empty tomb to

bring hope into the world again.

There are many times in our lives when things get on top of us and there feels like a dark cloud hanging over us, for me having a faith helps me to bring light back into my life, the light of Christ. But for those people who may not have a faith I am sure looking at the brightness of a flower in the sunshine, the bright blue of the swaying bluebells, the radiant yellow of the oil seed rape, the light green shoots of growing crops pushing through the soil, helps to lift the spirit or mood. So as we go into another month let's all breathe deeply and reflect on what an amazing place, what an amazing feat of creation is our world and let ourselves be lifted in mood and spirit.

Every blessing *Rev Cate*

SOUP LUNCH

Will be on:

*Monday 12th May
12 noon to 2.00pm
in the church*

Proceeds will be in aid of
"Christian Aid"

Come along and enjoy delicious home-made soups and a friendly chat!

See you there.

END OF AN ERA

We have said Goodbye to Pat and Sue Mould as they move out of the Six Bells and onto the next part of their lives (apparently involving building!)

We will miss them both and wish them all the best for the future.

Good Luck Sue and Pat

PARISH COFFEE MORNING

Very many thanks to Alison and Anthony for hosting the coffee morning in March where there was a splendid crowd of us. It was a lovely morning and before we left some of us had the opportunity to meet the delightful pink piglets, the very curly pregnant ewes and most handsome ram, and the gorgeous new dexter calf with her equally beautiful mum ! Thank you both and your helpers for your kind hospitality.

Our next Coffee Morning will be held at 3 Lower Mews by kind invitation of Roger and Babs Leach on **Wednesday, 21st May**, where once again we can be sure of a warm welcome. Do join us for a friendly get-together. For information about the Coffee Mornings, or if anyone would like a lift, please contact me on 841828. All contributions from the Coffee Mornings go to Church funds.

Churchyard Cleanup

This will be on Saturday 31st May from 10am to 12 noon.

There is a wedding at 2.00pm, so hopefully it will all be looking good.

All helpers welcome!

PAYHEMBURY PARISH SH HALL A. G. M.

The annual general meeting of the Parish Hall will be held on:

Wednesday 21st May at 8.00pm
in the Parish Hall

Remember that the hall belongs to YOU so it would be good to have a good attendance.

AGM
ANNUAL GENERAL MEETING

We are looking to recruit 2 new members to the committee. This is not a difficult task as we are only an administration of the hall. We do not need to work hard raising money as the hall is self supporting at the moment so if you feel you would like to join the committee please let me know.

CUP OF TEA AND BINGO

Our next get-together will be on

Wednesday 7th May 2014
In the Parish Hall from 2.15 pm

Look forward to seeing you
Louise and Joy

We had a great circus skills session from Circus Berzerkus to finish the term which was very well attended. Thanks for your support. In addition to Ella and Beth we also have Josie from King's school volunteering with us now that Brad has fin-

ished. Our ratio of staff to children is excellent and means we can have lots of activities running - particularly now we can go out onto the field in good weather.

Exciting news: we are running a half term trial of SENIOR YOUTH CLUB for children aged 11-16 starting on Monday 9 June from 7 - 8.30 (after junior youth club). We have

decided that all children in Year 6 can choose whether to attend junior or senior youth club. The future viability of senior youth club will rest entirely on attendance at the trial sessions so please come along if this is something you are interested in for the future. Robin Elsom will run the session and in addition we hope to employ an over-18 young person.

PARTY IN THE PARK 5TH OF JULY

Please put the date in your diary and tell your friends! Let's hope for last year's amazing weather! This year Cross-wired will be performing 2 sets with some great support bands. There will be local hot food available as well as the pudding bar. You are still welcome to bring your own picnics but there will be no barbecues so that we can let the children use the playground. We will have a large inflatable slide and **covered soft play area in addition to everything else from last year. Payhembury's Got Talent** will run from 4.30pm so get practising!! Hope you can make it!

Best wishes, Youth Club Committee

We are looking for a local business or generous resident to sponsor a trophy for 'Payhembury's Got Talent'. If you are interested please could you email us on payhemburyyouthclub@gmail.com. Thank you!

FENITON & PAYHEMBURY MOTHERS' UNION REPORT

Nine members and two visitors attended our Lady Day Holy Communion Service in St. Mary the Virgin, Payhembury Church on Tuesday 25th March when the Revd. Cate led the service, giving us a reflection on the vital role the Virgin Mary was to undertake. Our thanks go to her, and to Babs for playing the organ and Joan Jarvis for serving. The afternoon concluded with tea and biscuits.

Again nine members attended the meeting on 16th April, with one visitor, held at the home of our member, Joan. Apologies were received from five members. Our Leader, Paula led us in prayer and with an hymn. Dates were given for forthcoming events, including the next Deanery meeting to be held on Monday 7th July in Feniton Church. The Deanery Quiet Day will be held on Thursday 19th June beginning with a Holy Communion Service in the Church at Ottery St. Mary at 9.45a.m. and moving on to 2 Katherine's Lane. The Revd. Steve Weston will lead the day and members are asked to bring a packed lunch, and their own bible.

Our speaker for the afternoon was Kay Ammon who gave us a truly inspiring talk about her work in Uganda, together with slides. She has done such good works to help the women in Africa to help themselves; and concluded her talk with these thoughtful words. "We can all make a difference to people in our lives. It doesn't matter who you are or where you are - think about who you can bring joy to and impart." Our hostess, Joan treated us to tea and lovely home made Easter cakes at the end of the meeting.

OUR VISIT TO CHURCHES THIS YEAR IS ON WEDNESDAY, 14TH MAY when we will be visiting St. George's Church Morebath and St. Michael and All Angels Church, Hampton (with tea provided by their Church members). We shall leave the Green at Payhembury at 1.00pm with pick-ups in Broadhembury and Feniton as usual, and if anyone would like to join us on this outing please get in touch with me on 01404 841828 before 10th May and you may be sure of a warm welcome.

Marjorie Wright (Hon. Secretary)

To Jo and Collin Langmaid and their children Tamzin, Michael and Arron who have moved from

East Budleigh to run the Six Bells.

We hope that they will be very happy in their new venture.

Nature Notes
Observations from April

Hello everyone

Well, the weather is certainly lovely at present. What a difference the sun makes!

Chiff-chaff

On 30th March, I heard my first chiffchaff singing. These little migrants bring one of the surest sounds of Spring. They are small greeny-brown birds, which are now arriving in large numbers from Africa. The males make a two-note "chiff-chaff" song, attempting to attract a female partner. On the same day, I saw some early butterflies---peacocks and tortoiseshells.

On an evening walk on 4th April, Spring was all around! More chiffchaffs singing, plus robins, blackbirds, chaffinches and great tits all singing away. In the tallest oak tree by Oak Cottage, a lovely song thrush was doing his stuff right on top of the tallest tree---wonderful! Then, a great spotted woodpecker landed in the same tree.

Three days ago, on my way back home from Tuck Mill, I noticed a bird fly into one of Angus Forbes's flowering bushes. It turned out to be a bird not seen much around here---

indeed, I'd not seen one anywhere for some years---a bullfinch. Whilst I was taking this

Bullfinch

in, he was joined by his mate----two of our loveliest small birds.

They were in the same bush two days later, so they may be going to nest here.

Margaret and I have just returned from a nature holiday in southern Portugal, a wonderful area for birds and wild flowers in the Spring. What did we see?---only Spanish Imperial Eagles, bustards, black shouldered kites and many other exotic birds. If you'd like to know more, do get in touch---I've got lots of photos, but mainly of flowers, which were beautiful.

Council seeks views on proposals for County libraries

Devon County Council has announced plans to consult on an ambitious vision for a public library service that is sustainable, receptive to communities' needs, and fit for the future.

First, it is asking communities whether the proposals it is putting forward today are right for the service, with further engagement likely later in the year. The reasons include:

- * Decline in traditional book lending (due to rise in e-readers etc)
- * Becoming "centres" for communities with a broad range of services
- * Saving £1.5 million

The Hayridge in Cullompton and others are already "Devon Centres" which encourage reading, support access to information and learning; and promote access to wider cultural activity alongside a wider range of complementary community services. The Council will now be looking at developing 19 further centres, including Honiton Library.

At the same time, the Council wants to talk to local communities to identify how 28 smaller libraries could be sustained in future. Libraries serving smaller communities, those that are less well used or are close to other larger libraries, fall within a proposal to encourage and support communities to come forward with ideas on how the service could be sustained in future. For example, in Topsham the Estuary League of Friends is anticipating taking on the running of the town's library as part of the charity's intention to expand its services. In Broadhempston, residents have a library

service open seven days a week, stocked by the Council, as part of a community shop, cafe and art space. Ipplepen has a Community Hub, incorporating a library run by volunteers.

In addition, the Council is proposing to:

- * Continue reducing the Council's management and support costs
- * Develop new ways to maintain the reach of the current mobile library service, but at less cost. Even after recent changes to the mobile library, the service is still expensive to run
- * Make services to residents of residential homes could be more personalised
- * Improve the Council's technology to widen access to the library service
- * Continue seeking new sources of income and external funding

Councillor Roger Croad, Cabinet Member with responsibility for the library service says "I would encourage local residents, groups and organisations to give us their views and to put forward any other ideas or suggestions they have on how we can continue to offer this very important service whilst also reducing costs. We are happy to hear from organisations across the county who have innovative ideas on how this could be done."

This consultation ends on 17 July, then the Council will announce firm proposals in the Autumn, followed by further engagement with local communities.

A series of drop in sessions will be held to give people an opportunity to provide their feedback on the proposals. The local ones are:

Friday 9th May - Honiton 10.00 - 12.00 , Ottery St Mary 13.00 - 15.00, Sidmouth 16.00-18.00

To make comments on the future of our libraries, contact the Council on 0845 155 1001 or go to <http://www.devonnewscentre.info/public-consultation-on-library-service/>

Rainfall: After all the rain of the winter March and the first half of April had well below average rainfall allowing the ground to start to dry out.

Temperatures: The temperatures for March and early April have been around 3 degC above average continuing a long period of warmer temperatures. There was a record high minimum temperature on 2 April of 11.6 degC. This Easter is much warmer than last year when snow covered part of the country.

Sunshine: We have had more sunshine in 2014 than the first 3 months of last year but 2012 was sunnier.

Weather elsewhere: There was an episode of Saharan dust transported by winds to southern England which was made worse by pollution from continental Europe. A smog alert was issued for London on 3rd April. Devon escaped the poor air quality but the dust made it to my car. On the other side of the world Cyclone Ita caused damage in Northern Queensland on 13/14 April.

Devon & Somerset Fire & Rescue Service (DFRS)

Every year thousands of people within the UK experience a fire in the home. Tragically, many of these result in injury or even death.

Home Visit

DFRS offer a programme of 'Home Fire Safety Visits' to assist with a personal plan in case of an emergency. This involves an employee of the Fire Service visiting your home at a time convenient to yourself to give advice and

guidance in respect to fire and home safety needs, which should take about 45 mins. They will also assist you with the development of an escape plan so you would know how to get out of your house if there was a fire.

Free Advice

This is a completely FREE service that's offered to people and places where we know there is a higher risk of fire. This includes high risk individuals such as older people, especially those living alone, those with mobility, vision and hearing impairment, mental health services users and those liable to intoxication through alcohol/drug use. A combination of these factors will significantly increase the risk from fire; you may also qualify to have a FREE smoke alarm fitted in your house.

If you are concerned that your home may be at risk of fire or know someone who you think needs our help then please arrange a visit by calling.

0800 7311 822

All Fire and Rescue personnel who visit your home will carry photo identification.

Please ensure you ask to see it.

Cadhay Gardens, Coffee and Lunch in aid of Ottery Help Scheme
Thursday 29th May 10.00am - 14.30pm

Let us hope for a day as fine as last year to entice you all to the beautiful gardens at Cadhay, where you can enjoy the best of early summer blooms. Damp or sunny, though, Cadhay's tranquillity shines through - the floral beds and lake in this lovely old setting will be well worth an outing.

Admission—£3, no charge for children

Refreshments of coffee, tea and soft drinks, home-made cakes, soup and a warm roll, and other savouries will be available to purchase in the Barn Tearoom from morning through lunchtime. Do come for a spell of peace, and some tempting treats, all the while helping to support our Ottery charity.

OOOOOH Dear Friends, I have such a tummy ache, I have been rather silly. You see Rev Cate left some chocolate eggs and other chocolates lying around in church. I love chocolate but Mum told me I **mustn't touch them as they weren't mine. Well I knew that now Easter is over Rev Cate wouldn't need the chocolate so each day I** nibbled a little, then a little more and then a little more until it made me very poorly. My tummy ached and ached, Parchina took this photo **of me lying in our nest feeling very poorly. You see mice aren't supposed to eat chocolate, we can eat cheese and seeds and things but not lots of chocolate. I have to tell you Mum was very cross with me, she said it was a good job it hadn't happened over Easter or else I** would have missed out on all the celebrations.

It was lovely to see the happy faces of everyone on Easter Day and to hear all the happy Easter songs. What fun the children had hunting down the eggs in the church on Good Friday, **you see that's when I had my first taste of a cream egg, not all the eggs were found by the children, so I started my nibbling. Once you've nibbled a cream egg you just can't stop,** very silly of me I know!

Well I'm starting to feel better now and I'm looking forward to lots of weddings this year, we started with Amy and Sam before Easter , that was great fun, I've never seen flowers in teapots before. The next there will be Sonya and Jon, then Georgina and Michael and finally this month Gemma and Johnny, gosh Rev Cate's going to be busy and we're going to have such fun watching from our hidey hole. Well must dash have got lots of chores to do as punishment for not doing what I was told, I must learn that Mum knows best when it comes to chocolate eating, bye, bye, Parchie.

Answer to Tony's Puzzle: Each successive number is the result of adding the previous three numbers (where these are present).

CLARET'S CORNER *by our postie Marty*

I can hardly contain myself because THE CLARETS ARE GOING UP!!

After beating WIGAN 2-0 we are returning to the PREMIER LEAGUE, at the beginning of the season we were fourth favourites for relegation. Perhaps we could paint PAYHEMBURY claret and blue?

I'd like to wish all the best to SUE DERBYSHIRE for her brilliant work for the parish mag over the years, we enjoyed friendly banter with her beloved CARDIFF CITY and my BURNLEY FC well done Sue!!

See you around the village and UP

THE CLARETS!! MARTY.

Thank you Marty and

Sue

HOST UK promotes international friendship and understanding by arranging for international students studying in the UK to spend a day, weekend or Christmas in a British home with volunteer hosts.

But we have many more student applications than we can satisfy, which is a real problem. At any one time there are 600 students waiting for a visit, and some have been on the waiting list since November last year.

We'd like to get a host of hosts in time for the summer and to help beat the Christmas rush. So please contact us for further information or if you think you might be able to help.
